1 Ultima Royal has been quite consistent and good at the end and should get a nice trip from this lane. Kept up the pace well in the last race. Gets our pick. **7 N.Y. Everglow** is also an early choice in this very weak race. He has raced in Sweden recently and will face easier opposition this time. **2 Farmen Fabel** took two wins last year and has a good draw here. Early choice in a fairly open race. **4 Merles Classic** was second from the pocket two starts back and finished fourth in the last race. Possible in this field.

1 Archer has been really good this year after a long layoff. Was second from the pocket in the comeback two starts back and won easily after a fast start last time. Excellent lane and good chance again. **8 Get Going** has taken three wins in five starts this year. Was not at his best in the last race though and has got a poor number. Still a challenger. **2 Sweet Bubbles** has been consistent and good at the end and comes from a positive effort. Good draw. Should not be overlooked. **3 New First Lady** took five wins last year and earned the most money. Did not convince in the last race and the form is a bit questionable.

2 Pictured King had a good season last year and earned almost SEK 200,000. Needed the race last time and is probably improved now. Good lane and our winner. **1 Bravestile** has been quite consistent and good this season. Was third from the lead in the last race and could reach that position again from this lane. **5 Icarus B.R.** took one win in 22 starts last year. Finished quite well as third in the last race and should not be discounted here. **4 Chuck Yeager** competes mostly under the saddle but was second in a sulky race at this track in January. However, he has been a scratch due to a cough after the last race.

1 Bellingham has not won yet but this task looks very nice. Has shown quite good speed and was in a much tougher race than this last time. Comes back after layoff but has a good chance if well prepared. **4 Apple Village** is also waiting for his first win after eleven attempts but has shown good form of late and followed well as second in the last race. **2 Thai Carole** is not a superstar but has a nice draw and should be on the way up with a run under her belt. **6 Carmen Dolores** did well as second in November but has not convinced at all lately and the form is a question mark.
