4 Florenz G. galloped in the lead last time and didn't convince that day. Shoes all around again, which hopefully will make the horse's trot flow better. Quick starter. Early choice. **5 Danville** will challenge for the lead. Barefoot. Has to be considered regardless of position. **9 Excellent Cleaning** could benefit if the fight between the two higher ranked horses will be too tough. **7 Kant'e** is gifted but it has been a while since he was at his best.

10 Wearekind won an easy race in her debut. Had improved by that run under his belt as she finished fourth in the race after. If she performs like two starts back she will be hard to resist at the end. **7 Iwishmoremoney** returns after a layoff. A similar performance to his win in September and he is an early choice. **8 Carpaccio** is developing very well. **3 Exquisite Scotch** is very well-bred. Is quite good for this kind of company.

He is a fast starter and could take the lead. Has to be considered. **11 Fröken Crawly** showed nice pace in the last race.
