3 Oh Mein Papa comes from two gallops but has otherwise started the season really well. Uses to get offensive journeys and can do it tough. Good chance without a mistake. **2 Burn** took an easy win at this track two starts back and is driven by Gunnar Austevoll again here. Early choice. **5 Master Noark** won from the lead at the end of December. Kept up the pace pretty well two starts back but gave up from the lead in the last bigger race. **4 Bazze Poderoso** has not raced for over a year but is not that bad and has won five of 21 races.
