## RANK

**6 Metarie** is our pick in this fairly open race. He did quite well last year and has put in several nice performances this season. Has got a short break. Barefoot now. **4 Global Enforcement** is exciting for his new trainer Micael Stjernström. Won in October ahead of V85 winner Maui Sun and will face easier opponents here. Nice conditions. **1 Superman Tile** galloped straight away in the last race but had scored two wins in a row before that. Won from the lead in February and is our clear favorite for the lead here. **9 Specification** was close to winning as second in March but has galloped towards the end. Now driven by Carl Johan Jepson and the horse is definitely good enough to fight for victory.

**7 Maverick K.W.** is undefeated and took two really nice wins last summer. Hasn't raced since then but is well drawn here and will face easy opposition. Top chance if well prepared. **11 Leaps and Bounds** was superior in the debut and has put in a couple of good performances since then. She is also coming back after a layoff. Early choice despite this number. **2 Kiiku's Chanceux** can open very fast and should get a nice trip from here. **1 Queen le Soleil** has not won yet but has been quite consistent. At least a place bet from here.

## RANK

**9 Rendezvous Zon** competed in the V85 this winter and did really well. Won last time but has had a layoff since then. Will probably get an offensive trip anyway. Our pick. **11 Jula Menuncio** was not empty when he galloped last time. Two runs under his belt now and we have respect for the Jepson/ Stenströmer combination. **4 Blyger S.R.P.** is matched in tougher races than this and has a nice task here after a short break. Barefoot now and could reach the front. **2 Who's Lonely** is quite consistent and mostly a place bet here.

## RANK

**8 Amorcino** is back after a layoff but has a perfect task here. Has won three of seven races and meets easy opposition. Can open fast and gets an offensive start despite this number. Good chance. **11 Clearglass** has won two races in a row from the lead and had energy left in the last race. Is in good form but has to attack from behind now. **1 M.T.Uxor** got defeated in the last comeback race but has a run under his belt now and competes barefoot. Should get a nice trip from here. **9 Leibnitz** has not won yet after 18 attempts but has done well. Jepson now and should not be overlooked with the right journey.
