8 Klint came in first the last time he visited the Gothenburg track but he got disqualified. Has a couple of races under his belt now and should be on the way up. Our pick. 4 Willow It Is met a couple of promising two year old horses last season and was not really good enough. Is ridden by Elione Chaves in this seasonal debut. Possible challenger if well prepared during the winter. 3 Tequila Mack did alright in the last seasonal debut and should be improved. Place chance. 12 Mira Estrella has been competing on the Klampenborg turf this year and will be ridden with blinkers now. In the mix.

5 Jonica ended last season with victory and in the race before he was second clearly defeated by top mare Thunderey in Amacita. 2 Yellow Submarine won on dirt as a two year old but scored a strong second spot behind City Code on the Övrevoll turf. Main challenger. 6 Cutie scored a nice victory in the debut last year but met too good opponents after that. Turf in this seasonal debut is interesting. Possible outsider if well prepared during the winter. 1 Samara Bay has scored two wins on this surface in England. Outsider here.

2 Buckwalk scored a very strong victory on the Örevoll dirt as a three year old. Turf suits the horse well and this apprentice claims two kilo off. Nice task. Our pick. 6 Cromer won three times on this surface last year on Örevoll but scored also three second spots in Gothenburg over these conditions. Early contender together with Elione Chaves. 8 Silky Road did not convince in the seasonal debut but faces much better conditions this time. Possible. 4 Moojim is in great shape but faces tougher weight as well here. Should not be discounted anyway.

2 Millie Grazie met tough opponents last season and never had a real chance. Faces much easier horses in this seasonal debut. She has top chance here. Banker. 11 Papaya did alright two starts back a bit behind Danish Mowerina winner Marshi. Nice task here and early contender together with P-A Gråberg. 8 Hawthorn comes from a nice season with three turf wins and two over this distance. Should be in the mix here. 7 Summer Snake won on this track last year but is not used to the longer distance. Place chance.

11 **Two Times** won three times last season. He won also the stayer race Michelets Minneslöpning on this surface. Handles this shorter distance too and is our pick in this open Silver handicap. 7 **Enge Go On** did well as a three year old against tough opponents. Early contender in this field. 13 **See You Soon** is very reliable and scored three wins last year and one over this distance in Gothenburg. Contender. 14 **Topas Royal** won over these conditions in Gothenburg last year and this apprentice claims four kilo off in the seasonal debut. Possible.

2 **Fury The Bullet** has been successful over these conditions which includes the only win so far on today's track Gothenburg. Good chance in this otherwise open Sunday Special. 3 **Alsimsaam** has both beaten and been defeated by Fury The Bullet in Gothenburg. Should not be overlooked but faces tough weight conditions in this seasonal debut. 11 **Good Eye** won Challenge Stakes over these conditions last year and is the best horse in this field. This apprentice claims three kilo off but the horse still faces very tough weight. Possible but might be overestimated. 12 **Cece Adorable** was improved a lot last year and scored four wins and five second spots. Outsider.
