He is the main challenger. **2 Eld Prinsen** returns after a break, but owns high capacity and should be counted immediately. **6 Månrappa AM** finished well in the first start of the year and should be even better at this start.

14 Miss Chevy Neo has won this year's two starts in fine style. Fast if he can save the speed. In the mix. **1 Didicoy** got locked in second last and has better form than the last results show. Should not be overlooked. **5 Point Of View** galloped in the first start of the year. Early choice without a mistake.

Doesn't win very often, but should be considered early in this race. **10 Global Divider** is not reliable, but has the capacity to be in the mix without galloping. **8 Competivo** is consistent and good. Back after a short break and should be counted immediately.

1 Blues Brother has shown fine form for a long time. Now the five-year-old has a nice starting position and should have good chances to find the lead here, but regardless the journey, he should have top chance. **5 Newlight Coger** comes from a comfortable win. It was quite an easy race, but the impression was really good. **4 Gilmore Trot** did not have a real chance in his comeback last time. Certainly improved by that race and he will be in the mix. **9 Bang Boomerang** is an experienced stayer who likes this distance. Strong and tough and quick pace would be an advantage.
