9 Dance With Me finished well in the last qualifier. Carl Johan Jepson for the first time now which is exciting. **12 Kobra** has quite good capacity but gallops a lot. Could cause a surprise. **13 Sunshinetric** has earned quite good won but not won a race yet. Possible in an open race.

6 Chiellini is a quick starter and should be able to reach the front from this nice starting position and from there he is the horse to beat. Our pick. **12 Thomas** is coming off a good performance. He is making his first start for a new trainer and could take his first win of the year. **10 Make My Trip V.S.** is good for this class and with the right trip from behind she will pass many opponents over the home stretch. **13 Cavary R.D.** won the last race and looked nice. Run under his belt now and could score a new victory here.

12 Younger comes back after a break. The form is hard to predict but he faces a nice task here since the opposition is not the toughest. **5 Kalypso Sisu** is a quick starter and the favorite for the lead. Can lead this all the way if he is allowed to dictate the pace. **11 Mavericks Barbie** won very easily in her mini comeback two starts back. Is not reliable but should be considered without a mistake. **3 Kimi Pace** got locked in with some energy left in the last race. Shouldn't be completely discounted.
