9 Norah W.Boko scored a good win in the last race and showed that the form is on the way up. Tricky number now, but early contender with a similar effort. **6 Jeremy Zet** was second behind our pick in the last race. He is better drawn now and from the lead he is the horse to beat. **3 Loudandclear Sisu** didn't get it right in the last race but was good in the previous races. He is good enough to be in the fight for victory. **12 Konnässör** is good for this class and should not be completely discounted despite a difficult starting position.

8 Gustav scored a good win in the last race and it was clearly the best effort of his career so far. Difficult lane now, but should still have the best chance to win this race. **4 Optimum Rambo** is a quick starter and the clear favorite for the lead and both wins have been scored in that position. **3 Filur Vendil** has quite good ability but is still without a win. This will be the first time barefoot which is an exciting change. **5 Exil On Main St** put in a strong effort in the last race. Is consistent. In the mix in case of quick pace.

7 Don E.Star held strongly in the last V85 race, finishing second after a tricky journey. He is going down in class now and should have a good chance of winning. **3 Vincentius** came back well after a gallop in the last race and put in a good effort the time before too. Has to be considered early with the right journey. **4 Guided Tour** got locked in with energy left in the last race and the form looks to be on the way up. Normally in the mix. **9 Je T'aime Legacy** is fast when he can save his speed and has to be followed - especially in case of quick pace.
