6 Eagle Eye Sherry won both Oaks and Breeders Crown last season as a three-year-old. Did not make it to the final of Drottningens Pokal but should have a good chance here. 2 Global Brilliance has looked nice for the new trainer and scored an easy victory in the lead in the last Breeders'-heat. Nice number and challenger. 7 Hilarious Am was brave in the final of Stosprintern in the last race after a quick start. Uses to be in the mix. 11 Kirsi Boko can do better than she showed in the last race and resumes from a short break.

3 Globalizer was not at her best in Stosprintern. Finished strongly in a heat on June 28. Makes her debut over 2640 meter here and is well drawn. 10 Cash and Carry is inexperienced with only six starts but she has shown good capacity. Will defeat many opponents with the right trip. 9 Helluva Am was on the way to the lead when she galloped in a Stosprintern elimination heat. This long distance is not a handicap. 12 Namaste has not convinced lately but has good capacity. New driver now.

2 Hoboken Am failed in the seasonal debut and did not trot well. Won five out of six races as a three-year-old and has very good capacity. Good chance if she is at her best. 3 Hill's Angel makes her debut for Svante Båth. Is better than she showed in the last race where she gave up at the end. 11 Heaven Mearas got a tough journey in the last race but could score a nice victory anyway. Will defeat many opponents again despite this back row draw. 12 Sayonara was fourth in Drottningens Pokal two starts back. Will soon score the first win of this season. Dangerous with the right trip.

6 Honey Mearas was closely defeated in Drottningens Pokal earlier this season. Was poorly drawn in the last race and should have top chance to win here. 3 Hall of Am comes from three very strong performances. She won over today's distacen in the last race and is the main challenger. 4 Nikita Sunrise has to travel far. She made it to the final of Drottningens and has got a couple of races under her belt in the northern part of Sweden again. Outsider. 12 Clockwork is consistent and good. Poor number but will defeat many opponents with the right trip.

3 M.T.Perette has run three races this year and in the last race in a Breeders' Crown heat she got locked in. Was second in an E3-final last year. Nice number and our pick. 9 The Primerose scored a nice second spot in the last race. Should be on the way up and this number is quite nice. 6 Breidabliks Kahlua found the position outside of the leader with one lap to go in the last race and won after finishing 13/1000. Has good strength. 11 Barbro Kronos has not convinced this season but has good capacity and she had energy left at the end in the last race.

8 Erin Zet is our pick despite this number. She scored a convincing win from outside the leader and Reden knows how to prepare his horses for the big races. 6 Maggiore was third in the same race as our pick in the last race and looked nice when she found an opening after an inside trip. 5 Loaded Maria has two runs under her belt. Is better than the latest results show. She scored five wins in eleven attempts last season. 9 Ivanka Amok has only one run under her belt this year. Typical Nurmos-matching and she could cause an upset with the right journey.
