4 Weekend Fun faces perfect conditions here and comes from a nice victory. Normally he will take the lead here despite this number four in the circular start. Top chance. Banker. 1 Doctor Doxey Zenz is racing a lot now. Is very up and down but really good every now and then. This small field is an advantage. 2 Eder Bob galloped two starts back but was third in the last race and looked really nice. Challenger if he shows the right attitude. Tricky number. 3 Vacqueyras has been a non-starter and the form is a question mark. He prefers to run in front.

10 Fräcke Prins put in a splendid effort on June 12 and fought really well from outside the leader. Showed 23/1000 that time and has a good chance here. 12 Odexa is up and down but was really good on July 6 and finished very fast from far back. Galloped with 200 meter to go though. 4 Ängsbalder scored a nice victory two starts back. Faces nice conditions here and if Skoglund would find the lead after a while they should be considered early. 6 Vännfors Grynet has not convinced lately but will be driven by Ove A Lindqvist now and is well drawn here.

8 Kalaxy Boko comes from a good second spot and is in great shape. Galloped two starts back but had done really well before that. 6 Timetobecool finished 13/1000 two starts back and that time is worth a lot in this company. Has got a nice number for a defensive trip and can finish fast. 5 Fairplay du Mirel is mainly strong. If he would find the lead he could keep up the pace well. He has to be improved first though. 3 Vance Avenue Alma came back well two starts back after a sudden stop with 700 meter to go. Is quite fast and comes from a good victory.

1 Vejmo Ester can open fast and is ideally drawn here. Could finish 30/1000 and that is worth a lot here. 6 Hauk Viktor is talented and has one victory so far. Won as a favorite then after a strong final lap. Can do it tough from outside the leader. 10 Per Jo has been racing a lot and we wonder how he will handle three starts within a week. Was third and did alright two starts back on July 10. 4 Åhs Gnå has done alright lately without winning for a couple of starts. Can open well and is possible here if the horse would find the lead.

10 Kattis Palema opened fast in the last race and was allowed to dictate the pace in the lead. Is in great shape and could finish to victory again. Hard to beat. 1 Barkåks Nero did well in the last race and was really nice after an error two starts back. Won despite a big early mistake. Can open fast. 13 Fernando is a Norwegian guest who has done well lately. Tricky number here but the horse meets easier opponents now. In case of quick pace he can finish strongly. 8 Secret of Joy is an outsider here. Won the last race and has met good opponents lately. Should not be overlooked. Contender.

2 Guli Vinn met very tough opponents in the last race and never had a real chance. Easier horses again here and good chance to win. Is in good form. 8 Bonaldo is up and down but has been matched against good horses for a while and uses to finish strongly. Possible here in case of quick pace. 3 Rutbo Roffe scored two good wins in a row last winter but has not been as good after that. Nice number now and the horse can open fast. 1 Thess Prinsen got a nice start in the last race and kept up the pace well. Gave up a bit at the end but put in a good effort.
