5 Mister Kabuki won nicely in the last race after a strong finish. Was driven by Stefan Persson for the first time then and the duo should have a good chance of winning again together. **1 Forget It Not** comes back after a pause and the form is of course hard to predict. Outsider from the lead. **4 Otto Sotto** was weak in the last race but can do much better than that. In the mix with a better effort. **3 J.F.K.** looked good last time and beat easy opposition. Tougher opponents now, but has a nice starting position.

He can open fast and from the lead he will not be easy to beat. **1 Outlaw Newport** has a nice starting position and if he manages to hold the lead his chances will increase. **11 Corsa Astrea** has taken her only win from the lead. Owns good speed too and benefits from high pace. **7 Wild Days** is not that bad, but has a tough starting position here.

4 Carmita Silvio is fast behind the gate and likes to run in the lead. In that position she has taken three out of four wins. Our pick. **3 Eva Kant Gar** is also speedy and will try to reach the front too. In the mix regardless of journey. **2 Power Vacation** has quite good capacity but the form is a question mark. Could surprise if she is at her best. **9 Only Angelica O.C.** will be driven from behind and with the right journey she will pass many horses during the final half lap.

RACE 4 — V4-4 — Auto 1680 — RANK

6 Frazze won easily from the lead in the last race. The six-year-old is a strong starter and he should have a good chance to reach the front and from there he should have top chance. **3 Black Fire** did well in the last race despite a hopeless number and is the biggest threat to our pick. **2 Notorious Zon** has done well under the saddle of late. Good sprinter who should not be underestimated. **4 Dancing Days** won last time under the saddle. Quick starter and should reach a nice position, but is mainly a place bet.
