3 Southern Mazzarati faces tougher opponents now and the chances are not easy to predict here. Has four convincing wins in a row though and the latest two under the saddle. 5 Clegs des Champs made an early mistake in the last race on Romme but came back alright. If he avoids a mistake he will be in the mix. 6 M.T.Joinville convinced in the lead in the last run. Was pressed during the final lap but showed the right attitude. Will go for the front again. 1 Carioca de Lou is consistent and good under the saddle. Should not be discounted.

3 Whoopsy Laday has been at least second in five starts so far. Finished well to a second spot in the last run. Our pick. 4 Eli Jet scored a good second spot on Romme behind a promising horse trained by Wäjersten (Kuiper). This time she faces only fillies and mares. 6 Farina parked outside of the leader with one lap to go in the last run and won comfortably. That was a strong effort. Possible again here. 5 Madewithlove prefers to run in the lead. Will certainly get an offensive start by Sjöström here.

4 Perkins is our pick in this otherwise open race. Was brave outside of the leader in the last comeback and is certainly improved by that run under his belt. Ready for victory. 10 No Talking You is the main challenger. He had energy left at the end in the last race on Tingsryd in a Breeders Crown-heat. 7 Allan Zonett was improved again in the last run second up after a mediocre effort before that. Needs some racing luck with this poor number. 3 Jikininki deserves a victory after several good efforts without a victory lately.

9 Tom's Got Drive has got a number in the second line over the short distance and needs some racing luck. We think the four-year-old can do even better than shown so far. 7 De Gaulle Grif will probably be the favorite but he did not trot perfectly in the turns in the last race in Modena. Has been a non-starter after that too. is fast. 3 Makian Degato comes from a strong seasonal debut. Should be ready to set a new record over this distance. 8 De Facto has not trotted perfectly lately. Is strong and should be followed.

7 Tangen Bork comes from victory in the Norwegian Championships. Has won seven out of ten races this year and should have top chance here. The circular start is a question mark though. 6 Brenne Odin is the main challenger. The horse is very speedy with the right defensive journey. Could find the lead and give it away. If he finds room in time he is dangerous. 3 Smedheim Braut was second in the Derby last year. Could not find the lead with number one in the last Norwegian Championships but put in a good final lap. 9 Soldhöjdens Drake was second in the last run and improved again. Outsider.

6 Periculum was fourth in Sprintermästaren two starts back. This circular start is new for him but if he handles it he should have a good chance. 8 B.A.Superhero got a tough journey on the outside in the last run and scored a good third spot. Tricky number in this circular start. Early choice anyway. 5 Dakovo Mail has scored both wins lately in the lead. Different number now but early contender. 1 Icebreaker Pellini is interesting in the first circle. Won in the lead in the last run and could do so again. Has to be followed.

She is the main challenger. 7 Blackflash Bar is Gocciadoro's pick ahead of our winner. Easy wins lately and she should be considered. 1 Glamorous Rain could get a perfect journey with this number. Outsider.

6 Cash Winner comes from a strong effort over 2640 meter and this longer distance is no problem. Got a tough journey on the outside in the last run (Working Class Hero won). Our pick. 14 Ture L.A. finished alright in the last run over four laps. Will pass many opponents during the final lap here. 2 Leighton Boko convinced in the lead in the last run. Debut over a longer distance than 2640 meter now. Interesting. 13 Parker is not reliable but has good strength. Will beat many opponents when avoiding a mistake.

Our pick. 6 Ivanka Amok did not trot well at the end in the last run and galloped. Finished strongly to second in the race before. Could challenge if she is at her best. 10 Carry Cash found room late and was not empty on Färjested. Should be followed behind the favorite. 4 Loaded Leila is a bit up and down but could cause an upset if the favorite would fail.

9 Cayenne S.L.M. is probably a bit better than the opponents here but this number is tricky. She finished strongly on Jägersro. Good chance. 1 Ginger Peachy comes from three straight wins on Aarhus. Tougher opponents now but she can open fast and is well drawn. 5 Miss Chevy Neo has to be considered behind the favorite too. She showed good form after a mistake in the last run and should not be overlooked now. 2 Maltese Magic did not like the American bike in the last run. Won comfortably before that. Nice number.
