8 Grumbazz Kini got a nice trip from behind Honor in the last run and scored a nice victory. Can do it tough too and is our pick. 4 Pure Atlas was too fiery behind the gate in the last run and galloped directly. Came back well though and is a contender here. 1 Pure Attack comes from a heat to the Swedish Derby. Easier now and normally an early pick. 6 Fritjof S H was a winner again in the last run and showed great capacity once again. Has to be considered here.

8 Emoji got a tough journey outside of Get A Wish in the last run and scored a strong second spot. Poor number but good chance to win anyway. 2 Seven Nation Army has not been at his best for a while but is very good for this class. Has to be considered. 7 Empire comes from a race over the short distance but prefers this full distance. Should not be overlooked. 3 Stonefire U S will certainly get a defensive journey here and in case of quick pace and with the right trip he is possible here.

5 Galliano Peak scored a good win in the lead in the last run and is in great shape. Longer distance now but should solve this too. Our pick. 10 Elegant C N met tough horses in the last run and never had a real chance from far back. Has to be considered early. 8 Son Of Sizzling likes the long distance and could win this the tough way as well. 3 Gibson S H could reach the position behind our pick here and is possible with the right trip during the final lap.

4 Thewinnertakeitall met Eddie the Eagle in the last run and faces easier opponents this time. Will normally be hard to beat here. 6 Hansi Gejs was matched towards the Danish Derby but did not make it to the final. Has good speed and is a challenger. 7 Harald Derm was a non-starter during the weekend of the Danish Derby. The form is a question mark but he is an early contender anyway. 3 Houdini Shadow can open fast and could go for the front here and try to challenge the favorite.

8 Hurricane K K showed great form in the last run. Could find an early lead despite this poor number. Our pick. 10 Go Fast Shadow has very good speed but he has not convinced so far for Flemming Jensen. Contender. 3 Isotope d'Am is more strong than fast and is not used to the short distance. He should handle it though and has to be followed. 5 Hope Daugbjerg prefers this short distance and if she reaches a nice position she will fight for victory here.

9 B A Superhero has been matched against tough horses and with the right journey he should have a good chance despite this number in the second line. 6 Henrik Will galloped under pressure in the lead in the Derby. He is a quick starter and will certainly go for the front again. 7 Hugo Trøjborg had plenty of energy left at the end in the Derby and is in great shape. Worth a warning. 8 Hnokki Speed has got a tricky number and needs some racing luck to win this. He is good enough to solve this task.
