10 Princeton Graduate scored a good win and was second to War Hawk in the race after just closely defeated. Faces better weight conditions towards the latter one today. Our pick. 11 War Hawk has done well on this surface this year after a mediocre seasonal debut on turf. Possible despite tougher weight. 8 Beach Road One is good for this class but has not convinced this year. Scored the latest victory over this 2100 dt. Possible. 9 Edge Of Darkness has been matched against tough opponents as a three-year-old. One out of this year's wins was scored over today's conditions.

1 The Gurka scored the latest win over this 1600 dt together with Elin Hedman. Has also won over this distance. 6 Dragonfly is a good stayer who handles this top weight. Early challenger but this jockey is inexperienced. 2 Day Trader scored a couple of very convincing wins in October and did probably not like the tough surface in the last race. 5 Jungle Dream has been clearly beaten by Day Trader a couple of times. Has won over these conditions this season. Outsider.

3 Knight Run comes from a couple of good efforts and has been second but clearly beaten. Easier opponents this time. Our pick. 12 Yalla Yalla likes this time of the year and showed quite good form in the last run. Possible despite this tough number. 10 Hammertime has been in the mix lately but does not always show the right attitude at the end. Outsider. 4 Wild Tobacco won a handicap race in this class this time of the year last season. Should not be overlooked.

4 Black Bear scored an outstanding win in the debut and convinced a lot. This longer distance is an advantage. Top chance. 1 Frankie's Girl scored an outstanding victory and was third in the race after behind Art Defender. Only challenger. 2 Ritzy is a British import who makes his debut in Sweden here. Has been unplaced in eight starts so far. 5 Cassandra was clearly defeated by Frankie's Girl in the debut and did not have a chance either behind Black Bear in the race after. Maybe place chance here.

11 Miss Donalita does not win very often but uses to meet tougher opponents too. Our pick despite this tricky number. 9 Amarbelle's Dream is a British import who has put in a couple of nice efforts in Sweden. Possible if the horse stands this longer distance. 5 Cobacabana prefers to race on turf but the latest performance on dirt was an improvement. Outsider. 7 Fury The Bullet put in a strong effort over this 1400 dt two starts back and was second to Lancaster just closely defeated. Possible.

2 Globemaster is in quite good shape and last year's two wins were scored over this 1200 dt. Our pick in this tricky Open Handicap. 5 Buddy Bob did alright over similar circumstances two starts back on Örevoll in the first star for trainer Tobias Hellgren. 1 Fast Forward has scored all five wins over these conditions in Malmö. Possible challenger but needs some racing luck with this number. 3 Mogsy has not convinced lately. Could reach the front here though and is possible in that case.
