4 Stratocruiser came back strongly in the last race. If he stays calm he won't be easy to reach. **11 Tutankhaton** has faced tough opposition towards the end and is now stepping down in class. Will pass most of the opponents in the final lap. **1 Ares Maanos** has not won yet, but has an interesting starting position and with an opening in time he will finish quickly. **5 Young Andy** comes back after a layoff for a new trainer. Owns good speed but is not always reliable. In the mix without a mistake.

8 Sandsjöns Indiana struggled in the last race and would have fought for victory otherwise. Tricky starting position but in terms of capacity, she an early contender here. **5 Jacta Brick** won easily in the last race. He is one of the better horses in this race and should be considered early from a good starting position. **9 Vikens Haybar** has only one win in his career but has been consistent so far. He would benefit from high pace and could surprise. **1 Billyjoe Dimanche** is in good form and has a nice lane for a defensive trip. Should not be overlooked.

4 Heavenly Flavours did alright in the last race and is starting to get close to top form. The five-year-old can open quickly behind the gate and has taken five of seven wins in the lead. Our pick. **5 Incomparable** did well in the last race. Hasn't won for a while but has the capacity to win this type of race. **3 Nolby Palema** did not convince last time. Can do much better than that but has 0 out of 11 with tight starts like now. **12 First To Fight** is training well after a layoff and should not be underestimated.

RANK

6 Rolyman has put in several nice efforts towards the end but it was not enough to win. His form is good and if he finds the lead his chances will increase. **2 Mint Brodda** won nicely in the last race showing 13.8/700. Doesn't always show the right attitude, but if she has one of her better days she will be in the mix. **5 Pickford** was mediocre last time but can do better than that. That race has certainly improved the five-year-old's form and he should not be underestimated. **4 Rokka Tiger M.G.** was good in the last race and could surprise with a perfect trip.
