**7. DIAMOND DICE** - Won on his last start over 4200m at Argentan in a Class 4 hurdle on November 9th. More is needed in a stronger race

**Summary:** Although absent since September 2023, LOSANGE VERT (5) runs well fresh and should be fit enough. His last start was when third in a Grade 3 chase at Auteuil. He should be too smart despite fitness concerns. MAGIC MARVEL (3) will be sharper after a spin on the flat last month at Le Mans and looks like the main threat. He won a Listed hurdle in June 2024 at Auteuil two runs back. GLASGOW DU BERLAIS (2) will have no fitness issues and can be involved. GARDONS LE SOURIRE (4) can have a say if fit to go.

**Summary:** MALFOY DE LABRUNIE (2) was a wide-margin winner by 20 lengths on debut at Agen in late November in a Class 4 hurdle and can improve further after that success. He is preferred ahead of FRIANDE (7), who showed promise when fifth on the flat at Craon in September after an unplaced run at Auteuil over hurdles. THEQUIETMAN (4) has been absent since March, but is a course and distance winner in January in a Class 3 cross-country, and he should be on the premises. HARD ROC DE KERSER (1) has solid credentials each way after a credible effort at Saumur in March in a Class 2 cross-country. JANVIER (7) heads the remainder.

MON PETIT PRINCE (5) finished fifth in the same race and looks the main danger. EMID'IO PEPE (1) has had three recent runs on the Flat. A winner of a Class 1 hurdle in December 2024, he cannot be ruled out despite carrying top weight.
