ANNUAL MEMBERSHIP AVAILABLE MAIDEN HURDLE 4 and 5yo €12,000 2m190y (3390 Metres)

Going: **Soft (Yielding to Soft in places)**

Cork is a flat, right-handed, oval track with a ten-furlong inner circuit and a twelve furlong outer circuit. It is a relatively fair track in character. In May 2019 the chute which allows races to be run over a straight course was extended to include seven-furlong contests (which were previously run on the round track). High numbers tend to have an advantage in these races at five to seven furlongs.

LUKER'S TIPPLE shaped with plenty of promise behind a useful prospect on his Punchestown hurdling debut recently and this looks an excellent opportunity for him to go one better. Pure Steel should improve on encouraging debut here last month and can give the selection most to think about ahead of newcomer Sean Mc.

Lightly-raced maiden. Pulled up in handicap hurdle (20/1) at Limerick (21f, good to soft) 90 days ago, slow 4 out and dropping away quickly. Too soon to be writing him off but the market can likely prove a useful guide back from a break.

TIMEFORM VIEW:

WARDENS WHISPER finished a place behind Liberated Light when the pair met at Limerick 21 days ago, yet the latter doesn't boast consistency as his strong suit (also makes mistakes) so it could be worth chancing the former to reverse those placings here. Crescent Moon appeals as a likely improver now handicapping and could also feature.

RACE 6

EASYFIX HANDICAP CHASE 5yo+ €14,500 2½m (4020 Metres)

Going: **Soft (Yielding to Soft in places)**

Cork is a flat, right-handed, oval track with a ten-furlong inner circuit and a twelve furlong outer circuit. It is a relatively fair track in character. In May 2019 the chute which allows races to be run over a straight course was extended to include seven-furlong contests (which were previously run on the round track). High numbers tend to have an advantage in these races at five to seven furlongs.
