**7 Matadore** is going down a bit in class and despite this number behind the gate there is a good chance he finds the lead after a bit here. Then he should be difficult to beat. **3 Just Fontaine** finished well a bit behind the leader in the debut for his new trainer Björn Goop. Considering that the horse hadn't started for a long time before that he should be even sharper now. **11 Xanthis Ibiza** is used to meeting tougher opposition and faces good conditions money-wise here. **9 Antonio Jet** has the speed to be in the mix if things work out along the way.

**8 Noble Express** has been a scratch due to a throat infection before a planned start, but the horse is working well and if his form is still there he will be difficult to beat despite this draw. Well bred **6 Nikita BR** (Readly Express – Sharapova) has started promisingly and was just closely defeated as second last time. **9 Lyme Regis** gave a nice impression in the debut for Anton Sverre last time. He should be even better now with that run under his belt. **10 Thomas** should not be overlooked.

**11 Global Excellence** showed his ability in the last race when he scored a close but comfortable win from outside the leader. Early contender again without a mistake. **8 Funny Money** did well in the last V75 race. Before that he had scored two impressive wins in a row. He should be considered early but needs some luck here. **3 Anew Anora** could fin the lead here and if he is allowed to dictate the pace a bit he could be difficult to catch. **9 Qojak V.W.** is in top form today.
