1 Churchill is a really nice trotter who has shown good shape lately. Quick starter and should have a good chance of reaching the front here and once in the lead he is the horse to beat. **7 Mister Mustache** followed well from the lead in the last race and was only defeated by capable Millstout. Similar opponents now, but has a tricky number, even though the horse is a very quick starter. **6 Demelza** is strong and tough. **8 Kid Arc** can take a third win in a row.

7 Bjønnum Argr has very good speed for this class, which he showed three starts ago when he won in 1.22 over the short distance. Punctured sulky last time, but was not at his best either. Tricky number but he is the horse that stands out in an otherwise very open race. **11 Voje Viljar** is versatile and sprints well. **10 Voje Hero** is doing really well for trainer Per Vetle Kals. **5 Frøyu Jerken** is possible too without a mistake.

10 Kagge Ty is our pick in a very open race. Has shown the best speed, but you have to keep in mind that he is not completely reliable. Without a mistake he should have a good chance to pass all opponents here. **9 Lykkje Laila** has really taken good steps lately and has three wins in a row and four wins in the last five starts. Challenger. **6 Sandos Ø.K.** shows good capacity, but faces tougher competitors. **12 Prins Herakles** has impressed, but moves up in class.

5 Stoletheshow returned last time after a long layoff and won directly in a big way. He should be even improved by that run under his belt and uses to do well during the winter. The main rivals have worse starting positions and he should have top chance. **11 Oracle Tile** is at least as capable or even better than Stoletheshow on a good day, but is poorly drawn. **9 Bordeaux S.** can finish in the top three. **1 I.D. Exceptional** has a perfect draw.

Should still be considered early. **12 Lykkje Proffen** beat Will Nick in the last race after a nice trip. Tougher now. **4 Keiser C.K.** is strong but needs a perfect journey to win this.
