7 Karlo Molar is very interesting here in his debut for Flemming Jensen. He has taken two wins in a row but is coming back after a layoff. He is certainly well prepared. Good chance. **1 Galdur** is the main challenger. Comes from victory and has a better number than our favorite. Debut behind the gate. **9 Kanon Åstrup** is also an early choice. Is not completely reliable but comes from a good second place. A bit tricky number now. **5 Khan Sotto** seems in good form but has not won yet after 13 attempts. Place bet.

6 Dontgetinmyway made an early break in the last race as heavily backed and is looking for revenge here. He won on today's track two starts back and beat several of today's opponents then. Good chance. **2 Otis Dragon** is a tough challenger though. Won easily in the last race well ahead of Godawdo and has a good starting position. **3 Eric Banker** has only one win in 18 starts but is not that bad. However, he has galloped towards the end and needs to avoid a mistake first. **8 Kadu Moseby** has a poor draw but was second in the last race behind our pick and is possible with the right trip.

He is also in good form but this lane is not easy. **8 Julia Doctor** is strong and Flemming Jensen's choice out of three horses. She has a difficult lane but can do it tough. **2 Ingmar Banker** is the stable companion to the latter horse and has a much better draw. Good form and driven by Birger Jörgensen .

7 Hero Boom Bay doesn't win often but gets the tip in this fairly open race. Earned the most money last year and will probably get an offensive trip from here. **4 Fighter K.J.** is a very quick starter and will certainly take the lead here. How will the tactical plan be? Early choice. **8 Freiherr Faust** is clearly interesting here in his debut for trainer Michael Lönborg. Has to be considered right after the layoff but this lane if of course tough. **11 Jane Hall** faces good conditions and is coming from a win. Good form and hoping for quick pace from here.
