7 Daniel S.H. made his debut under the saddle last time and put in a good performance in tougher race. Considering he hadn't started for just over two months before that, his form should be much improved. **8 Prince Of Darkness** scored a strong victory and is in good form today. Debut under the saddle. **13 Everglow** met our pick last time and beat him straight away. More horses to pass now, but skilled Aho is a very good jockey. **1 Ma Chipie Quick** is ridden and trained by Jonathan Carre and should be followed.

1 Gladiator S has been convincing lately and has really found his way for the Untersteiner stable. Good chance to find the lead from here. Top chance. **3 Maranichi** should get a nice defensive trip up behind the leader and find a good position. If he keeps his form he could very well challenge in this open race. **9 Kind Of Magic F.R.** convinced in the seasonal debut and should be improved by that run under his belt. **5 Datos Rainbow** won from the lead. Tougher opponents now, but has been matched all winter in bigger races.

Has put in good efforts but he is still developing. **8 Diego Face** is capable but tricky. The trainer is not very optimistic but the horse should be considered early if he avoids a mistake. **10 MadisonSquare Kiss** has shown good capacity and comes from a stable in fine form.
