RANK

7 Västerbo Ajax won in a big way in the last race. The seven-year-old has recharged the batteries and faces nice conditions here. He should have top chance to score another win. **3 Everglo Lemon** is a quick starter and will probably reach the front. Leads the race for a long time. **5 Papillon E.V.** has been consistent and good, but has not won a race since May last year. Mainly a place bet. **4 Belfort Rags** is often in the mix but doesn't win very often.

2 Edla Karma owns nice speed for this class and if she manages to avoid a mistake throughout the race, she will not be easy to catch. **3 Överstas Sultan** will return after a short break and even though his form is a bit hard to predict, he should be considered early. **7 Vejmo Märta** has done really well towards the end and is a contender too here. **6 Anna Fra Skaråsen** has done well in both ridden and sulky races at the end, but clearly needs some luck from this double handicap.

RANK

5 Legacy Of Sound has not shown any top form of late, but now the mare drops down in class and should still be good enough for victory. **6 Many Behind** got a much needed run under his belt in the last race and will be improved to this race. Good enough to be in the fight for victory. **8 Sahara Silvio** has come back after a long break from racing and is starting to get closer to top form. In the mix. **12 Cobol Infinity** has a tough starting position, but is good enough to pass the whole field.

6 Zeus Cal opened fast to the lead in the last race and won easily. The six-year-old is strong and could reach the front in the first turn and then he will not be easy to beat. **9 Izzy Zet** did alright in the last race. Could be improved by that run and he is the main challenger to our pick. **4 Grand Eagle** has a nice starting position and if the favorite fails he is an early contender here. **10 Dunclug** makes his first start for a new trainer which is exciting.
