Has good speed. 6 Spinal Tap A.T. won very comfortably in the lead in the last race but will find it hard to reach that position again here. Has to be followed anyway here.

Has one run under his belt now and should have a good chance to take revenge directly here. 7 Hannibal Face attack from second on the outside with 600 meter to go in the last race and kept up the pace well. He has had a good reputation for a while now but so far he has not been very successful. 8 Miracle Gift beat Hannibal Face in the last race. Found the lead after 500 meter there. 2 Dollar Dream has quite good speed and this number is nice.

Good chance to take revenge here. 5 General Lee finished well the last time he visited Jägersro, two starts back. Has one race under his belt after a pause and is an early choice. 4 Galantis is good for this class and a lot better than the latest results show. 2 Goldfield has not won for a while but put in a couple of good efforts. Has got a nice number here and will not be easy to defeat in the front. Our winner. 12 Hulken Sisu is very gifted and has one race under his belt where he was brave after a tough journey. Should be on the way up. 1 Scorpion's Madness can open fast and will certainly reach a nice position with this number one behind the gate. 5 Jeans'n Passion can also open fast and Dan-Åke Olsson might go for the lead as well. Is gifted though and an early choice. 8 Archidamia is a fast horse and she can win this. 11 Briljant Sensation is a speedy guest. Interesting but needs some racing luck with this poor number.
