RACE 1

Volt 2140

3 **Mellby Imperial** qualified already in June last year and this debut is interesting. Is well bred and has the same mother as Mellby Free who has earned 8.7 million SEK. 1 **Firefoot** ran a couple of races as a three year old but was not at his best then. Resumes from a spell now and this number is nice. 8 **Hamilton Atout** looked nice in the qualifier in June as a three year old. Back row draw in this debut but has to be considered early. 2 **M.T.Powertool** could be an outsider if he handles this number. Did not convince in the race last season.

1 **Amalencius B.B.** put in a good effort last Wednesday over the long distance. He is the best horse in this field and should have top chance. 8 **Epimetheus** should be improved by the last race after a break. Poor number but in the mix with the right trip. 2 **Sedin U.S.** has been competing over the long distance in the last two runs. We think this middle distance suits him well. 7 **Wilson Knight** scored a strong second spot two starts back behind Amalencius B.B. Place chance here too.

3 Adam Orden comes from a splendid win in the last seasonal debut. Should be even better now and has a good chance to win this. **12 Habrik Am** showed good speed last year and in this seasonal debut he could go around many opponents despite this poor number. **1 Look Ecus** galloped with 600 meter to go in the last race. Has had a break after that but is an outsider here. **9 G.K.Justus** has put in two nice efforts this year. This number could suit the horse and he should not be overlooked here.

6 Incase of Fire found an early lead in the last run and scored a convincing victory. Nice three year old on the way up. Our pick. **8 Graham Hill** won the debut in the lead and was not empty at the end. Poor number now but has to be considered early anyway. **7 Correct W.F.** was close to score his first victory ever in the last race. He should be on the way up and has to be followed here. **2 Mysterious Lucifer** won in the lead on October 6. Seasonal debut now. Place chance.

2 **Bitcoind' Arc** made his debut for Timo Nurmos in the last race and won directly. Should be even better now and this number is nice. Good chance. 1 **Zirakzigil** makes his debut for Reden. Ended last year with an easy win in the lead in a race with only five competitors. Early choice. 4 **Iceland Radio** comes from a nice second spot and has good capacity. Should not be overlooked here with the right journey. 5 **Southwind Hillrazr** did not convince in the Swedish debut but should be improved by that race.

6 **Cactus** showed 10.5/700 at the end to finish second and is on the way up. Good chance here with the right trip. 5 **Twinkle Face** is very consistent and good. New driver this time and she should not be overlooked with the right journey. 4 **Tonique** got a tough trip outside of the leader in the seasonal debut and was brave. Nice conditions money-wise and has to be considered. 3 **Digital Class** is consistent and with the right defensive journey she could go around many opponents this time.

RACE 7, V86-2

Volt 2140

1 Didi Dam is interesting here. She can open fast and will certainly be driven in the front here. Will not be easy to reach then. 12 Global Broadcast has to be considered early behind our pick. She was improved in the last run and has quite good skills for this class. 7 Naima Sjöhammar should be on the way up. She will probably reach a nice position directly with this number. 10 Kia Ora galloped directly in the last start. Scored a couple of good wins in January and has to be considered early.

Auto 2140

4 Voltaire P.Hill is racing a lot now and could be on the way up. He finished strongly from second on the outside in the last race and was interfered in the final turn. 1 Bluebell Dream has not competed since October. She showed good speed as a three year old and has to be considered early with this nice number. 9 Anchor Man runs his third race for a new trainer. This number could suit him well. He came back fast after a mistake in the last run. 8 Vanja needed the last race. Is good enough to be in the mix with some racing luck.

RACE 9, V86-6

Auto 2140

6 Sorbet was third in both the elimination heat as the final of Elitloppet last year. Has two runs under his belt now and is ready for victory now. He could get a tough trip outside of the leader though. **1 Hazard Boko** got locked in and looked nice in the last V75 race. Can open fast and will probably find the lead here. Should not be overlooked. **5 Milligan's School** is a top horse who makes his seasonal debut here. Is always good after a pause but might need this race anyway to be at his best. **3 Stoletheshow** should be improved by the last race. Place chance.

10 Moses has good capacity for this class but this back row draw over the short distance is far from perfect. Good chance anyway with the right journey. **5 Maximus M.M.** won in the lead in the last race. Can open fast and will get an offensive trip this time too. Early choice. **4 Jareth Boko** convinced when he won three starts back despite a tough number. Is all-round and handles all distances. **2 Riptide R.D.** wasted a lot of energy in the last race. Is good enough to be in the mix here.
