RACE 1 — V4-1 — Auto 2140

8 Rania Zon won straight away in the debut for Jasmine Ising and looked strong. Despite this starting position, the filly should have the best chance to win this race. **6 Xander** did well three races ago but has not been as good after that. If the five-year-old is at his best, he is a horse for the fight for victory. **7 Je T'aime Legacy** did well as second in the last race. Although he has been a scratch after that, he is normally in the mix here. **3 Mellby Merry** can do better than shown in the last race but could be a place bet.

RACE 2 — V4-2 — Auto 2140

6 Eldfell made his second start in the last race after a break and won easily. The four-year-old should be improved and he is normally hard to beat. **7 Römossan** comes back after a pause. Barefoot immediately and in terms of capacity the mare is an early choice here. **3 Mustang Norrgård** is a quick starter and the favorite to reach the position behind the leader and from there he can challenge if he finds an opening in time. **9 King** has a tricky number and needs both racing luck and high pace to be in the mix.

5 Dear Wise As faces quite tough conditions here, but is well prepared by Markus B Svedberg. Our pick if he is as good as in the seasonal debut **8 Eolo Wise L.** owns high capacity and is an early contender in this race. **3 Västerbo Carretera** has a good starting position and if she is as good barefoot as last year, the mare has to be considered early. **7 Frazze** is making his comeback after a longer break. Can open fast and from the lead he will not be easy to beat.

RACE 4 — *V4-4* Auto **2140** — RANK

1 Don't Thell Me has made good efforts from poor starting positions towards the end. Has won four out of five from the lead and if he gets there, he should have a good chance. **2 Husar Brick** is consistent and here he should reach a nice position. One of several horses who can win this race. **6 Run Riddle** doesn't always get it right, but if he avoids a mistake and trots all the way he has the capacity to be in the mix. **8 Point Black** should not be underestimated despite a tricky starting position.
