## RANK

**1 Millthalia** finished well behind winning Iaintnoquitter last time. Here she faces easier opposition and only mares. She is in good shape and opens fast, and in this small field there is a good chance that she is allowed to dictate the pace. **2 Pearl Kayz** has good capacity when she is at her best and can then match these opponents. The form is hard to predict though. **5 Gejst** is on the way up but could get a tough journey here. **6 Miss Lynx** was quite convincing in the last race. Barefoot now, but faces difficult conditions with the main rivals on the inside.

**13 The Bandit** has not shown the best form of late but has been matched in much tougher companies than these. Iina Aho knows the horse well and he is also used to barefoot. **1 Dea Orientis W.H.** finished strongly last time. Tough conditions money-wise here, but she is consistent and should be considered early. **12 Feel The Rhythm** has shown great form and has put in a couple of strong performances. Faces difficult conditions, but can do it tough too. **5 Cancelo** failed in the last race but is working well again and with some racing luck, the horse could be in the mix here.

**7 Overdrive Steel** has clearly shown the best capacity in this company, winning convincingly in the V75 last year. This winter the Dutchman has been tested at Vincennes, and was heavily backed two starts back. His form is a bit hard to predict. Our pick. **6 Prop Line W** is in good shape and with only seven horses, he should reach a nice position and he can do it tough. **2 Kind Of Blue** is gifted and prefers to run in the lead. **3 Fukushima Jet** is a quick starter and on the way up.

**2 Sjöli Fryd** was close to win from the lead in the last race. Early choice with a similar effort, but the form is probably even better now. Could find an early lead and could be hard to reach. **3 Asakblomst** got a tough journey from first over in the last comeback race and beat the leader, but got defeated anyway. On the way up and barefoot. **10 Ros Borken** could reach a nice position directly here and in that case the horse is good enough to challenge. **8 Tangen Braute** faces good conditions and is driven by gifted Ole Johan Östre.

**RANK**

**3 Champus** has really found top form. Has won five of 13 starts and is still developing. The five-year-old should have a good chance of continuing the winning streak. **8 Noble Express** is probably much tougher than most opponents here and has been consistent and good. This small field is an advantage. **1 Maui Sun** is a nice 4-year-old who impressed in the last race. He has made quick money and moved up in class, but this task still looks nice. **6 Mackinack Bro** is a place bet.

**RANK**

**7 Peaceful Day** has started her career promisingly with four wins in six starts. In the seasonal debut she got a tough start and held strongly. Should be improved and has a good chance with the right journey. **2 Times Like These** hasn't reached the right level. Here, however, it looks like Goop can send the four-year-old to the front and once there he could be hard to reach. **9 Headstrong** showed good skills and put in several nice efforts last year. Seasonal debut here and probably a more defensive plan. **4 Fenwick Gene** finished close to our pick Peaceful Day in the last race.
