Our pick. **6 Sanoroc News** is speedy and will be ridden by top jockey Carre. Has three out of five wins after a long layoff and should be considered directly. **11 Global Equity** has good strength and is matched in tough company. Interesting start. **9 Nuage D'Inverne** is quite experienced in this discipline compared to his main rivals.

He has been compared to stable companion Hustle Rain and should pass the whole field to victory. **6 Meydan Silver** was very good from the lead after finishing 13.5/1000 in the last race. Quick starter and good chance of reaching the front again. **3 Flash Express** won in superior style in the last race. **7 Hertiginnan Stöen** was heavily backed last time out and looked to be heading for victory when she lost the trot 100 meter before the finish. Chases quick revenge here. The filly has earned more money than the entire field combined and she owns superior speed. **4 Mynta V.S.** showed good capacity as a 3-year-old and won half of her six starts. Can take the lead after a while. **6 Vårblomster** was very strong in the last race after a tough trip and could challenge our pick. **5 Bäcklös Tili** is fast and dangerous with the right trip.

**6 Michelle W** was extremely good when he crushed the opposition from outside the leader in Sweden in December. The Dutch horse is back on Swedish soil and should have top chance in this company. **4 Mijanou** has started promisingly and the Andover Hall mare scored a good win from the outside of the leader in the last race. Quick starter and the favorite for the lead. Might need this race though. **1 Naledi B** got a tough start in the last race. Defensive journey now. **8 Myamazingphoebe D** is capable and will be in the mix with the right trip.

**5 Ninepoints King** was very convincing two starts back. Was the favourite in the last Klass II-final but galloped shortly after the start. Will go for an early lead here and from there he will not be easy to defeat. **9 Bollinger** is probably the best horse in the field but he is not reliable at all. If the gelding lives up to his capacity, he is good enough to win this race regardless of journey. **4 Napoli** did well in the last race and will now run barefoot. **8 Hugo Boss Shadow** is in top form.

**1 Kashmir B.** has come back strongly after a long break. In the last race he took the lead with 1300 meter to go and won comfortably. Good strength and the distance suits him. From the lead he will be hard to beat. **6 Nobby Stiles Boko** has shown good form and got locked in with energy left last time. Nice starting position and should get a good trip. **4 Caspian Bro** has shown nice skills and is more strong than fast. Should therefore benefit from the distance. **12 He's From Heaven** is fast with the right trip from behind and will now run barefoot.

Now he starts from behind again, but nice task and he should get a more offensive trip. **8 Månlykke AM** made a good seasonal debut but got quite a tough trip. Run under his belt and passes many opponents here. **2 Nordby Elde** has put in top performances this season and is ideally drawn. **8 Oppgårdsdrängen** has developed really well and is making it into the elite.

**1 Mellby Joker** has now got two runs under his belt and is on the way up. He showed top form again in the last race but came too late. Easier opponents now but tough task anyway. **8 Fly By C.A.** is a strong American horse who will be exciting to follow in his Swedish debut. **4 Versace Face** owns good strength and can do it tough.
