4 Al Capone has started brilliantly for new trainer Roger Nilsson and taken two straight wins from the front. Will also take the lead here. Top chance. **3 Move Around** has done well so far. Two runs under his belt now and could get a nice trip. **12 Hero Godiva** has been consistent and good. Hasn't won yet and will probably find it hard to change that from this number. **7 Conrads Jessica** could also be a place bet from this tricky draw.

7 Opal Kiro has taken three wins in a row this season and done really well. Looked very nice in the last race and has a good chance again. New driver. **9 Vännfors Sessan** is good for this company. Has been consistent and comes from a nice second place. Early choice. **3 Njord** has not raced for a while but took three wins in ten starts last year. Will probably get an offensive journey and could take the lead after a while. **15 Eskils Oda** also returns from a longer layoff. She competed in Derbystoet two starts back after a third place in the heat. Much easier now.

1 Kash Smart is our pick here. Comes from Kolgjini and has now made three starts for Jonna Irri. Was outstanding two starts back and without a mistake he has a good chance. **10 Cleveland Broline** won straight away in the comeback two races ago. Wins quite often and is the main challenger. **2 Grand Safari** comes from two easy wins in Norway. Tougher now but will get a nice journey here. **5 S.G. Dangerous** started really well in January but has now got a layoff. Early choice behind our winner.

3 Every Day Elegant returned from a pause in the last race and won easily from the lead. Looked very nice and has a good chance with a similar effort. New driver. **10 Beacon Kronos** also won straight away in his comeback last time. Has been matched in the V75 and faces easier opponents now. This driver is a disadvantage though and tricky number too. Early contender anyway. **7 Swagger** is also an early choice for us. Came back alright after galloping in the last comeback race. Better now and fast from the start. **9 Last Dying Breath** won eight of 15 races last year. Is consistent and good but needs a bit of luck from this lane.
