(Rated 0-75) £8,000 2m1f24y (3440 Metres)**

RACE 1

Going: **Good to Firm (Good in places)**

Left handed, the round course is an elongated oval track, just over twelve furlongs in extent. Bath is the highest course in the country, with no watering system, so the ground can get very firm during a dry spell. Prominent racers have a better record than those ridden more patiently, but any advantage decreases as the trip increases.

Draw: **N/A** Pace Information: **Weak**

**1 2 PEKING OPERA (IRE) (49)** s **94**  
057777 6 9-9 | 61.2kg

Gary &amp; Josh Moore

**Tom Queally**

Has proven mostly underwhelming under both codes since winning a novice hurdle at Sandown on yard debut back in 2024. Took a step back in right direction over jumps in March.

**2 3 EDUCATOR (57)** **97**  
8985-5238 7 9-6 | 59.9kg

Henrietta C Knight

**Hollie Doyle**

Placed twice on all-weather in January. Below form upped in grade when eighth of 11 in handicap at Newcastle (16.3f, 11/1) in February. No surprise to see him bounce back returned to this level.

**3 5 NO MORE BOLERO (175)** v **90**  
9760200- 7 9-3 | 58.5kg

James Owen

**Saffie Osborne**

May have been unsuited by testing conditions on final 2 Flat starts in 2025. Won a handicap hurdle at Ludlow on next outing but below from in similar event at Sedgfield (16.8f, soft, 6/1) when last seen in December. Any positive market vibes should be noted.

**4 6 BASHFUL BOY (IRE) (11) (BF)** b **97**  
32-347544 10 9-2 | 58.1kg

David Pipe

**Rob Hornby**

Nineteen runs since last win in 2023 but did post a creditable fourth of 9 in handicap at Kempton (2m, 10/3) 11 days ago. Is fitted with blinkers for first time in this sphere and should give his running but is one to take on for win purposes.

**5 1 LUSAKA (IRE) (55) (C)** s **100**  
096156-58 8 9-2 | 58.1kg

John &amp; Rhys Flint

**Millie Wonnacott (51b/2kg)**

Course winner who also landed a Newbury handicap last July. Looked to be working his way back to peak form in 2 all-weather runs this year and he steps back up markedly in trip on this return to turf.

**6 4 MAN OF THE SEA (IRE) (215) (C, D)** s+t **96**  
95141/110- 10 8-6 | 53.5kg

Neil Mulholland

**Myla Coppins (71b/3kg)**

Won twice from 3 starts on the Flat here in 2025. Placed on last 2 starts in handicap hurdles when last seen in November, latest when second of 13 at Taunton (19f, good to firm). Not discounted.

**7 7 THE CRAFTMASTER (11)** s **91**  
74-431514 6 8-4(8-3) | 52.6kg (52.2kg)

Tony Carroll

**Kieran O'Neill**

Successful twice this year, latest in handicap at Lingfield (2m) in March. Posted a creditable fourth of 10 in handicap at Wolverhampton (1¼m) 11 days ago. Having a rare start on turf from 1 lb out of the handicap.

**TIMEFORM VIEW:**

A trappy handicap with a chance taken on the returning NO MORE BOLERO who should find conditions in his favour. Educator makes some appeal back down in grade and can get the better of Bashful Boy for minor money.

**TIMEFORM VIEW:**

Those with experience don't set a high bar so the newcomers look the ones to focus on, with the market to guide. MADELEINE is bred to be a speedy 2-y-o and gets the nod. Passerine is also of interest for the Hannon yard and can chase the selection home from Arcadian Days and Seed Ya Later.

RACE 3

Going: **Good to Firm (Good in places)**

Left handed, the round course is an elongated oval track, just over twelve furlongs in extent. Bath is the highest course in the country, with no watering system, so the ground can get very firm during a dry spell. Prominent racers have a better record than those ridden more patiently, but any advantage decreases as the trip increases.

Draw: **Favours Low** Pace Information: **Strong**

**1 9 HUNKY DORY** (5lb/2kg ex) (7) (D) s **95**

 **Jack Morland** **Hollie Doyle**  
 Off the mark on fourth start for Mick Appleby at Southwell in December. Bettered that when striking on second run for present yard at Wolverhampton (6f) last week and he'll be a threat under a penalty if able to reproduce that form back on turf.

**2 10 ARABIAN COBRA (IRE) (210)** (D) s **95**

 **Adrian Wintle** **David Probert**  
 Back-to-back winner of 6f handicaps for Hugo Palmer last summer but signed 2024 campaign off on a downer and probably best watched for new yard following a 7-month absence.

**3 12 JUSTCALLMEPETE** (14) (D) b  **100**

 **Tony Carroll**  **Dougie Costello**  
 Winner of 9 of his 38 starts on the all-weather but he's not so prolific on turf, on which he's won just one of his 21 appearances. However, he went close latest run on grass at Windsor in September and reproduction of that would give him a strong chance in this contest.

**4 2 JAX EDGE** (165) (CD) s **93**

 **Christopher Mason** **Gina Mangan**  
 Notched second win here when landing a soft ground 5f handicap in October. Failed to fire on the all-weather the following month, though, and she looks vulnerable off this mark back from a 165-day break.

**5 5 MR LIGHTSIDE (IRE) (15)** b+t **95**

 **Michael Appleby** **Edward Greatrex**  
 Won twice at 2 yrs and while he drew a blank in 2025, this 4-y-o has slipped to an attractive mark and he has made the frame in all-weather handicaps the last twice. Place possibilities.

**6 4 MOE'S LEGACY** (18) (CD) v **93**

 **Ronald Harris** **Saffie Osborne**  
 Proved at least as good as ever as she made a winning reappearance at Wolverhampton (5f) last month. Followed that with a creditable third over the same C&D recently and this multiple C&D winner is certainly not without a chance.

**7 11 TOOLATONEGOTIATE** (28) s **93**

 **Daisy Hitchins** **Millie Wannacott** (5lb/2kg)  
 Successful over 5f at Lingfield in January but all 3 wins have been gained on the all-weather there and she's 0-9 on turf.

**8 6 ACES WILD (IRE) (199)** (D) s **96**

 **Adrian Wintle** **Taryn Langley** (5lb/2kg)  
 Resumed winning ways at Chester last summer during a productive 2025 campaign. Conditions in his favour and will be a threat if fully tuned-up following a 6-month absence.

**9 7 STRIKE** (184) (D) s **95**

 **Jonathan Portman** **Rob Hornby**  
 Losing run stretches back to July 2024 but he was placed on several occasions last year, including when going close off this mark at Windsor in August. Has won when fresh in the past and could have a say if raring to go.

**10 1 SAFARI DREAM (IRE) (23)** (D) s **94**

 **Rod Millman** **George Wood**  
 Winner of 6f Salisbury handicaps either side of registering his first all-weather success at Chelmsford last season. Several creditable efforts in defeat thereafter and reappearance third at Kempton last month was another decent display. Each-way shout.

**11 8 MUMAYAZ (IRE) (23)** (C, D, BF) s+t **95**

 **Tony Carroll**  **Kieren Fox**  
 Scored off 2 lb higher at Southwell during his stint with James Owen and put in a good shift on first run since rejoining former yard when runner-up at Wolverhampton (6f). However, failed to build on that next time and looks vulnerable.

**12 3 CONNIE'S ROSE** (179) (C, D) s+t **94**

 **Grace Harris** **Kieran O'Neill**  
 Won twice over the minimum trip here in 2023 and opened 2025 account when landing a heavy-ground Chepstow handicap in September. However, wasn't at her best thereafter and she was safely held in this race on her reappearance last season.

12 DECLARED RUNNERS

**BETTING FORECAST:**

**9-2** Hunky Dory, **6-1** Justcallmepete, **13-2** Mr Lightside, **8-1** Safari Dream, **11-1** Aces Wild, **12-1** Mumayaz, **12-1** Moe's Legacy, **14-1** Strike, **16-1** Toolatetonegotiate, **18-1** Arabian Cobra, **28-1** Connie's Rose, **28-1** Jax Edge

**TIMEFORM VIEW:**

JUSTCALLMEPETE'S most recent efforts haven't been among his best but he's nevertheless interesting here given that he was just touched off at Windsor on his final run on turf last year. The 7-y-o gets the nod ahead of Strike, who is an appealing each-way option. Recent Wolverhampton scorer Hunky Dory is officially 2 lb 'well-in' under a penalty and he has to be feared, while the likes of Aces Wild and Mr Lightside could also have a say.

George Scott

**Darragh Keenan**

Won over 5f in February and posted a good third of 12 in handicap at Lingfield 14 days ago, rattling home and looking unlucky not to win after meeting trouble. Often races freely and needs to prove himself returned to turf but merits respect from current mark.

**2 14 BLUE ORBIT (IRE) (31) 93**  
21660-2 **3** 9-9 | 61.2kg

Dr Richard Newland &amp; Jamie Insole

**Jack Doughty**

Gelded and returning from 7 months off when promising second of 9 in a handicap at Wolverhampton in March, keeping on well having been forced wide. Slight step back up in trip looks in his favour and he's capable of picking up a similar event.

**3 8 STARMADE (IRE) (185) 88**  
321- **3** 9-9 | 61.2kg

Ed Dunlop

**Jamie Spencer**

Progressive juvenile who got off the mark in a 5f maiden at Newcastle in October. Makes handicap debut after 185 days off but is open to further improvement and is one to consider if the market speaks in his favour.

**4 13 WEDONTELLIES (IRE) (188) 91**  
8315- **3** 9-9 | 61.2kg

Richard Hughes

**Donagh Murphy (7lb/3kg)**

Won over 7f at Kempton in September before shaping well when fifth of 7 in a nursery at Newmarket (9/4F) in October, becoming unbalanced in the Dip. Returns to action having been gelded with scope for further progress and the drop back in trip shouldn't prove a hindrance.

**5 12 NOBLE VOW (IRE) (179) 93**  
3432- **3** 9-5 | 59.4kg

Richard Hannon

**Alec Voikhansky**

In frame all 4 starts to date and shaped well when close second of 9 in a maiden at Wolverhampton in October. Left the impression he's a winner waiting to happen that day and looks one to follow stepping into handicap company.

**6 5 AKABUSI (14) (D) 96**  
831522-94 **3** 9-5 | 59.4kg

Mike Murphy

**Kyle McHugh (7lb/3kg)**

Shaped as if needing the run on debut for current yard in March but bounced back to form when fourth of 12 in a handicap over 6f at Lingfield 2 weeks ago. Merits respect returned to turf but has a more exposed look about him than some of these.

**7 3 GREY HORIZON (14) (D) 94**  
11316256 **3** 9-4 | 59.0kg

Scott Dixon

**Kieran O'Neill**

Won 4 times on all-weather during the winter but ran just respectably when sixth of 12 in handicap at Lingfield 14 days ago. Still 3 lb above last winning mark and may prove vulnerable back on turf.

**8 1 ROMEO MONTAGUE (71) (D) 91**  
7317-5 **3** 9-4 | 59.0kg

Richard Spencer

**Saffie Osborne**

Off the mark in a maiden at Lingfield in September but not kicked on in 2 handicap starts since, racing too freely when last of 5 at Southwell on return in February. This demands more.

**9 9 CAMPENAERTS (198) 89**  
644121- **3** 9-4 | 59.0kg

Jonathan Portman

**Rob Hornby**

Won 2 nurseries for Archie Watson last year, latterly a weak 4-runner affair at Catterick in October. Off since and faced with a deeper race on first run for new trainer (changed hands 21,000 gns).

**10 10 QUANTUM POWER (IRE) (171) 90**  
62104- **3** 9-3 | 58.5kg

Tom Clover

**Molly Keegan-Price (7lb/3kg)**

Off the mark in a maiden at Beverley in September but failed to progress in nurseries subsequently. Has an inexperienced rider aboard and faces a stiff task after 6 months off.

**11 6 CONCERT (17) (D) 100**  
214036-4 **3** 9-1 | 57.6kg

Jack Channon

**Edward Greatrex**

Fair 6f winner for William Haggas last year and shaped well when fourth of 8 in 5f handicap at Wolverhampton 17 days ago on first run for new yard/following 5-month break. This slightly longer trip is in her favour and she's one to note.

**12 15 CAREFREE DREAM (205) (C) 90**  
24437210- **3** 9-1 | 57.6kg

J. S. Moore

**Ashley Lewis (5lb/2kg)**

Won over 5f here under this rider in September before facing stiff task when upped in trip for final 2-y-o outing. Returns after 205 days off in more realistic company.

**13 7 MARCELLINUS (148) (BF) 85**  
332- **3** 9-1 | 57.6kg

Tom Dascombe

**Pierre-Louis Jamin**

Placed all 3 starts last year, running to a fair level on each occasion. Progress required making handicap debut (has been gelded).

**14 2 COYY (IRE) (191) 90**  
48358- **3** 9-1 | 57.6kg

Eve Johnson Houghton

**Charles Bishop**

Proved unpredictable last year and returns with questions to answer on the back of a breathing operation.

**15 4 RED SNAPPER (179) (C) 94**  
895521- **3** 8-7 | 54.0kg

Kathy Turner

**Laura Coughlan (3lb/1kg)**

Improved equipped with cheekpieces last year, winning a 6-runner handicap at this course (5f) in October. Looks capable of better as a 3-y-o for all this is a much deeper race to contend with on return.

15 DECLARED RUNNERS

**BETTING FORECAST:**

**13-2** Noble Vow, **7-1** Concert, **9-1** Wedontellies, **10-1** Alvin, **11-1** Starmade, **12-1** Red Snapper, **12-1** Blue Orbit, **14-1** Akabusi, **16-1** Grey Horizon, **20-1** Coyy, **22-1** Romeo Montague, **25-1** Carefree Dream, **25-1** Marcellinus, **28-1** Campenaerts, **33-1** Quantum Power

**TIMEFORM VIEW:**

NOBLE VOW shaped very well when narrowly denied at Wolverhampton in October and can get off the mark on his handicap debut. Concert wasn't seen to best effect on her first run for new connections 17 days ago and should be suited by the return to this longer trip, with Wedontellies one to note on his reappearance.

€3,500 foal, €7,000 yearling, 11,000gns 2-y-o. Fourth foal of a dam who stayed 1½m, closely related to 1m-1¼m winner Mask of Time. Looks an unlikely winner first time up.

Showed promise when third of 13 on debut at Kempton over 1m in November. Possibly needed run when fifth of 9 at Doncaster over 1¼m 20 days ago and is one to view positively dropping back in trip.

Showed fairly useful form as a juvenile, including when third in listed race at Newbury on heavy ground in October. Looked in need of the run when fifth of 6 at Kempton 20 days ago following a 5-month break and looks to have been found a good opportunity to break her duck.

**TIMEFORM VIEW:**

OURBREN drops markedly in class having contested listed company last autumn and can take full advantage, especially as she'll strip fitter after her recent Kempton run following a five-month absence. Three No Trumps returns to 1m after missing the break over further last time and is feared most, whilst Tough Date was much sharper second time.

CHAPMAN'S PEAK starts 2026 on a good mark and is fancied to return in style and complete a hat-trick at the chief expense of George Boughey's progressive Armstrong. Both Glasgow Kiss and Crafty Blue look to have better days ahead of them too and also need factoring into this competitive handicap.
