## RANK

**2 Kipling Sautreuil** is our pick in this open stayer race. Fredrik Plassen goes for the lead and from there he will not be easy to beat. **6 Global Empress** competed in the V85 in March and has now made one start for Viktor Lyck. She did well as fifth and is now driven by the trainer himself. **9 Illusion of Joy** earned the most money last year and comes from an easy win. Jan-Olov Persson's horse has an interesting lane and could get a good start. **7 Eva Aloha** is not bad for this company and with the right trip she can be in the fight for victory in this tricky race.

**4 Kentucky Colonel** has made two starts for Redén and should be on the way up. He competes barefoot this time and that is interesting. Will probably be driven offensively. **9 Mando Gowan** had a nice season last year and is good for this company. Has a bit of a tricky number but should be considered early. **12 Reven Dejavu** is a 10-year-old and still going strong. Met Gio Cash in the V85 two starts back and faces of course much easier opponents here. Early choice despite this handicap. **11 Never to Young** faces tough conditions money-wise but had a nice season last year and won two starts back together with Emelie Pettersson.

**10 Little Coco** is driven and trained by Daniel Redén and has two wins and two second places in seven starts. Returns as a gelding after a long break and has an interesting lane. **8 Young Anthony** is one of the better horses in this race but he also makes his seasonal debut here. Two wins in a row in October. Early choice. **5 Galleon** has a tricky number but Mats E Djuse is gifted and will find a way out. Was second in the last race and should be considered early. **12 Global Grand Slam** won outright last time after a long layoff and should be on the way up. Has a tricky number and hopes for quick pace.

**6 Järvsö Rikard** is our idea in this nice cold-blood race. Wins often and has got a run under his belt now after a very long pause. Good chance to reach the front from this lane. **5 Trönö Borken** has won four of the last five races and is in top form. Tricky number here but can open fast and should reach a good position. **7 Pyseidon** won a stayer race in November and was second over today's long distance in the last race behind Ingen. Faces better conditions now. Interesting lane. **12 Ingen** won easily two starts back and beat several of today's opponents. He faces a tough handicap now and hopes for quick pace.
