**8. FLANKER** - Has two unplaced runs of late, a winner before those over 4100m in March at Compiegne. Others better equipped

**Summary :** INCOLLABLE (5) is in top form of late, a good second in a Class 1 chase when last seen in late May and a winner before that, he can win again under James Reveley. GENERAL EN CHEF (1) has been in top-class races the last twice when unplaced, but a good effort when third in a Grade 3 chase last September gives him every chance of getting involved. LE LUDE (2) is the best each-way option, after a fair effort when fifth when last seen at Compiegne in early April in a Grade 3 chase. BECQUARAINBOW (3) can fare best of the remainder.

**SELECTIONS**

A winner at Fontainebleau in February of a Class 2 hurdle, he is more than capable of winning today. CLEAR ON TOP (3) has his first run on French soil after being trained in the UK. He won over fences in December at Leicester and although having not raced over hurdles since January 2022, he could be the biggest threat to the likely favourite.
