7 Cabot Cliffs comes from a good third spot in a tough Prix du Cher. Main challenger if he handles the Strömsholm track. 3 Impact Of Bloom was second to Monsieur Vic and just closely defeated in the last race and will be ridden by the ordinary jockey again. Contender. 2 Ivo was matched against quite tough horses last year. Possible but has not raced for a while and this track is new.

6 Double UX comes from a convincing win on Gärdet. Two kilo up after that effort but should still be on the way up. 3 Odd Type has not convinced in two starts this year. Was matched against tough opponents as a three-year-old. Possible challenger if improved. 2 Golden Song was third to Double UX in the last race and clearly defeated. Place chance. 1 Heshmah beat Double UX two starts back in Gothenburg but was clearly defeated by the same horse in the race after. Outsider.

4 Highland Queen was second in this race last year and faces perfect conditions here. Our pick. 5 Mahany De Piboul comes from a convincing victory on the Jägersro dirt but has also won on today's surface. Main challenger. 7 Mr Brownstone is a question mark on this surface. Was heavily backed in the seasonal debut and should be on the way up. 1 LS Max Factor does not win very often but is in quite good shape. One out of many outsiders.

2 Mutadaffeq was the favorite in Grand National last year but was unlucky when Wutzelmänn fell. Has looked splendid this season and is our winner here. 4 Her Him won this Swedish Grand National last year with seven easy lengths. Should have a good chance again here. 5 Wutzelmänn was the third favorite in this race last year but unfortunately he fell with one lap to go and never got a chance. Contender. 3 Molly Power comes from victory in GP der Stadt Zürich. Possible with a similar effort if the gelding handles this track.
