6 Magic Eyes won in his debut and beat several of today's opponents. Should be even better now and has a good chance to win again. **5 Maestro Lund** has been quite heavily backed so far but galloped a lot. A bit tricky number but if he avoids a mistake this time he can be in the fight for victory. **7 Laredo** was second to Maestro Lund in the last race and clearly improved compared to previous starts. Early choice with a similar effort. **1 Lady Liva** will probably get a good trip from here. At least a place bet.
