Auto 2640

9 M.T.Oberon wins often and has done well lately. Got locked in behind a tired horse on June 17th against tough opponents. Put in many good efforts in a row before that. 5 **Dulce de Leche** has started twice after a longer break. Should be on the way up. Got locked in with energy left in the last run. Our favorite for the lead. 7 **Rossi Palema** can open fast and should reach a nice position. Galloped in the lead in the last run. Likes to compete on Skelleftea. 8 **Humble Stance** is now trained by Hanna Olofsson in the northern part of Sweden. He is strong and likes this distance.

5 **Kajsa** has started her career very well. Was second from outside the leader in the debut and has scored three nice wins in a row after that. Good chance. 15 **Sjöli Morten** has been at least second in seven starts so far. He faces a double handicap but this number is interesting and he can open fast. 11 **Re Vital** scored five wins in a row before two starts back. Got a tough journey in the last run and came in fifth. 14 **Helmin Eldi** has only won two races in 33 attempts but has shown good skills anyway. She was not at her best in the last run but put in a couple of good efforts before that.

15 M.T.Puccini impressed a lot in the last race in Finland and was totally outstanding. Has won eight of eleven starts. Should have top chance to finish to victory. 10 Maestro Bianco has put in a nice efforts so far in Sweden. Was close to win in the last run. Main challenger if our banker would fail. 9 Federal Reserve came back well after a mistake two starts back. Comes from a nice victory in the lead. Has put in many nice performances. 11 Baltimore Broline got a tough journey in the last run. Scored a good second spot before that. Place chance.

4 Beast is our pick here. The gelding has galloped twice in a row against tough opponents. If he avoids a mistake he can open fast. Will fight for victory in that case. 13 Avant Garde is eight years old but has only started 24 times. Has seven wins and comes from a very good second spot after a tough journey. 9 Vincent Cheri gallops a lot but has good speed. Should not be overlooked if he lives up to his capacity. 14 Somebody's Destiny did well in the last run after a short break. Should be even better now. Has started in the V75 and is certainly tougher now.
