RACE 1 — V4-1 — Auto 1680 — RANK

6 Intrigante is our pick. Christian Fiore's horse has done quite well so far and faces slightly easier horses this time. Can open fast and is our favorite for the lead. **8 Samino Jons** took a surprising win at Visby in June. Poor draw but early choice with the right trip. **10 Bearra** returns after a short layoff. Is quite consistent and good and should be considered early behind our favorite. **3 Nelo Di Quattro** earned the most money last year. Has a good lane and can at least be an outsider here.

1 Kracdarche is our winer in this mediocre ridden race. The French horse earned the most money last year and Anna Erixon is a good jockey. Good chance with the right trip. **4 Love Lii** has been quite consistent and good at the end. Ridden by Maja Andersson Odder this time and should be considered early. **3 Mr Klister** won with today's jockey at Kalmar in March and was a decent third in May at the same track. Early choice here. **5 Lluc Boko** has competed at Bornholm recently and done quite well. He was fourth and second under the saddle in June. Outsider.

4 Chelsea kept up the pace alright as fifth in the last race but took two good wins in a row before that. Has a good position and gets the tip. **9 Stens Joy** has been consistent and good this year and with the right trip he is an early challenger. Tricky number though. **1 Awesome B.B.** has won five out of twelve races so far. Is fast from the start and has an excellent draw. **2 Cayenne Gel** can also open quickly. Has started well this season without winning. Should be considered early.

6 Howitends W.F. has a good task here. Has done very well this season and competed in the V75 last time. Much easier now. Good chance. **8 Wingait Birgitta** had a nice season last year but she has been a bit unlucky towards the end and is clearly better than the latest results show. Early choice despite this lane. **1 Ilex P.R.** was positive as second from the pocket two starts back and could have a similar run from here. **4 Amoa Bengt** faces good conditions and took two consecutive second places at Kalmar in May. Could be an outsider here.
