Has earned the most money this year and is challenging. **11 Spicy Special** has improved this year, taking one win and four second places. Comes in good form and is an early choice. **8 Gislerun** is not a superstar but could be a place bet in this field.

Won a big race from the lead in mid-July and will probably reach the front again here. **5 Jerven Junior** has won six out of twelve races this year and has done very well. He won a big race at Åby at the beginning of May and has to be considered very early here. **8 Hauk Viktor** has also had a good season so far. Is not always reliable but has shown good speed and is possible despite this disappointing starting position. **7 Birk Faks** doesn't win very often but is quite consistent and good and could be a contender for a place bet here.
