8 Minnestads Ecuador parked outside of the leader with one lap to go in the last race and did well. Needed that one after a break and is ready for victory now. 7 Kalashnikov convinced the last time he visited Romme. Put in a strong final lap in the last race too and should be considered early again. 9 Apollon de Kacy hooked into another horse in the final turn in the last race and never got a chance after that. Should be on the way up. 3 J.J. Another Vinn is really good every now and then and is driven by Mika Forss this time.

1 Vanessa Face galloped fighting for the lead in the last start. Interesting number now and has good speed for this class. Our pick. 10 My Sea is consistent and good but does not win very often. Has been a non-starter after the last race too. 6 Västerbo Garonne met tough opponents this spring and summer. Faces easier opponents now and should not be overlooked. 2 Laurentius Valiant got locked in with energy left two starts back and is an outsider this time.

2 Hombre D. was fourth two starts back in a Derby elimination heat. Nice number behind the gate now and he is tough enough to be in the mix here. 5 Georgia Am is a nice mare chasing her fourth straight win. Was not empty in the last race but she has been a non-starter after that and the form is a question mark. 1 Will I Am scored a good third spot in Sommartravets final two starts back. This number one behind the gate is a bit tricky. 6 Unico Broline finished very strongly on August 6. Possible here with the right journey.
