Looks to have the right attitude and should have a good chance here as well. **6 Icannoliwearchanel** made his debut in a tough race last time but was brave from outside the leader. Should normally be better this time. **2 Tanja Tooma** had some energy left in the last race. Possible but needs some racing luck. **4 Revanche Boko** followed well as second behind One Express in the last race and can get revenge now.

8 Young is very capable, but not reliable. He likes to be driven by Simon Helm, together they have four wins in four attempts. Despite this lane, Eric Martinsson's trotter has to be considered very early. **10 Any Given Sunday** is matched in good company. Galloped in two consecutive starts before this, but there is no doubt that he has the capacity to win a race like this. Driver in top form. **2 Take Him Sober** has a perfect starting position. **4 I.D.Hawkspeed** is possible too but needs some racing luck.

6 Highly Appreciated started her career for Oskar Kylin Blom before she was moved to Alessandro Gocciadoro. Was really good in Italy this summer, but has galloped in two straight Swedish starts. Hard to predict but maybe she could save some speed from here now. **7 Pechora Boko** is still waiting for the first win ever. **10 Global Gold Rush** is a sister to top horse Don Fanucci Zet.

5 Joker Ima did alright in the last V75 race, although the effort in the race before was perhaps even more explosive. Shoes now is not an advantage, but in return the horse is going down in class. Should be considered early. **9 My Time To Shine** is the main challenger. Looked brilliant in the last race but made a mistake from the start. Came back in great style and is a contender here. **4 Stunning Doc** has been clearly improved during the summer. **7 Tangelo** is consistent and good. Possible with the right journey.

With a similar effort this time he will be hard to beat, but the horse is not reliable and a bit up and down. **3 Fabentoy** uses to be in the mix. Good chance here too. **2 Gustav Lynx** has a perfect draw and he has got a few runs under his belt now.

3 Danceinthedark F. has only won one race in ten starts this year, but she uses to face tough opposition and she is much better than the results show. Should be considered regardless of position. **4 Sonesta** is in great shape today. Is tough enough to challenge for the win regardless of position. Good chance to reach the front. **6 Naledi B.** impressed two starts back. Was not as good last time, but the opposition was tough then. Has to be considered. **11 Dahlia Brodda** is capable and would benefit from over-pace.

1 Omega River really looks like a special horse and the stable is pleased. Couldn't hold the lead from the inner lane last time but seems to have improved. Has to be considered early. **10 Gallium Kronos** is very gifted, but not reliable at all. If he can avoid a mistake and focus on the right things, no one is safe in this field. **12 Jonte Godiva** is a strong breed who made a nice impression as third last time. Runs barefoot in the back for the first time. **6 Pretty Effect** is a quick starter.

4 Easy di Girifalco is in really nice form today but met far too good horses last time. Can do it tough and should have a good chance regardless of journey. **2 Selectiv Calling** looks in good shape today. Finished quickly in the last race and faces perfect conditions now. Has to be considered. **7 Pearl Kays** scored a superior win from the lead in the last race against easier opponents and looked really nice. Is good enough to challenge. **10 Vikens Bonjour** is used to face tough horses. Needs some over-pace and racing luck. In that case she will finish really fast.

Can open quickly behind the gate and certainly gets a nice trip. Has to be considered. **9 Coolman Evo** has shown emerging form and will be in the fight for victory but needs some racing luck from this number. **6 Greetings** finished well in the last Derby heat .
