RANK

12 Kyrkebys Gunbritt did not score a place in four starts last year but has won six of nine races this season. Comes with two wins in a row and is in top form. Faces mediocre opposition and has top chance despite this number. Banker. **8 Jack Grealish** did quite well last year when he won three of twelve races. He gave up last time but was good in several races before that. Will probably get an offensive trip by Fredrik Plassen. **10 Monark Winner** was second in the last race and finished fifth a bit behind our pick in the last race. Barefoot this time. Place bet. **6 Yemeniz** gave up in the last race but took two third places in a row before that. He can also be in the top three.

11 Timotejs Obelix gets our pick despite a difficult lane. Has shown good form towards the end and is good for this company. Driven this time by Julia Smedman. **6 Ouyouboolooey** comes with only gallops and has had to qualify. Was approved then for Claes Sjöström who is now driving too. Does not win often but is an early choice if he avoids a mistake. **8 You're All I Need** is quite consistent and can open fast. We suppose he will be in the lead after a while and then he has to be considered. **7 Kehewin Goj** has been consistent and good towards the end and he is also an early choice in a fairly open race.

8 Flys Popcorn gets our pick in this open race. He has shown good form lately without winning and with the right trip he can sprint to victory. **11 I Am Don Max** comes from a second place and beat several of today's opponents. Has already won three times this year but needs a bit of luck from here. **4 Mezcal Teorvici** is much better than the latest results show. Won three races last year and took a good win in May. Driven this time by Julia Smedman. Good lane. **12 Move It Brodde** was third last time behind I Am Don Max and is looking for revenge. Of course he hopes for quick pace from this difficult lane.

RANK

12 Nikki Lane has earned the most money and faced much tougher opposition than this one. Finished nicely in the last V85 race and should have top chance to pass all opponents together with Claes Sjöström. **7 Solkattens Star** wins quite often and comes from victory. Is our favorite for the lead despite this lane and can lead this for a long time. Early choice together with Martin Malmqvist. **11 Return of Mogens** took a great win in July and is possible behind the favorite. Driven this time by Eva Lundahl. **8 Mary Wadd** was second together with today's driver Jennifer Persson two starts back and is coming off a win in a mediocre race at Solvalla.
