4 **Louis** has been improved this autumn and scored three nice wins. Was strong from outside the leader in the last run and will get an offensive journey again. 5 **Arras Beluga Wine** got one run under his belt in the last run and gave up after an offensive trip. Is good for this class. 1 **Global Born to Run** has shown good skills under the saddle lately. We are not sure how he will handle the sulky. Quick starter. Nice number. 3 **Apache** is nervous but he has good speed if he is not too fiery. Likes this number.

5 **Ros Borken** has five wins this season and this autumn he has scored two wins in the front. Could lead this from start to finish again. 12 **Pyckolina** likes this time of the year and put in a good effort against tough opponents in the last run. She can do it tough. 9 **Ängsthea** has put in many good efforts this autumn and seems in great shape. This short distance is the right one. Tricky number though. 7 **Tangen Ternar** came back well after a mistake in the last run. Is tricky but also gifted. Possible behind the favorite.

1 Night Hawk has a good reputation and he scored two splendid wins on Solvalla. Did well in the last run despite a tricky number. The horse to beat here. **11 Perkins** scored a good victory too in the last run and despite quick pace in the lead during the whole race he was never really threatened. On the way up. **10 In Love Mearas** is very well bred. He has four wins in five starts and owns great speed. **2 Diamond From Hill** seems in good shape but faces three tough opponents here.

8 Cornerstone has not won lately but comes from a strong second spot. If he is at his best he will be hard to beat here. **11 Bowling de Luxe** has failed but is very gifted and the latest victory was impressive. Should be followed. **2 Albacete** is better than the latest results show. Has got defensive journeys lately and had energy left at the end in every race. **9 Carroty** has galloped a lot lately but is good for this class. Should avoid a mistake with this number.
