11 The Oak L.A. has scored all three wins with Hanna Olofsson this year and is strong enough to finish to victory here. Our pick. 7 Juno Beach won in the lead in May and won in the lead in June. She is a quick starter and in the front she is an early contender here. 5 B.Sacamano has won two races in Finland and has shown good form after that. 12 Deliver has earned most money and with the right defensive journey he should not be overlooked.

10 Djang Limit was seventh two starts back after a tough journey and galloped in the last run. Scored a good win three starts back and has a good chance here with a similar effort. 14 Juan Sisu has won twice over the long distance this year. Finished fast in the last run and should be considered early. 1 Hip Hop Au Vent was second despite a mistake the last time he started in Boden. Has scored two easy wins in a row under the saddle lately. 9 Like di Serafino is undefeated without a mistake in three starts for the new trainer. Has to be considered.

8 Selmer I.H. won five races in a row in November and December last year. He is all-round and our pick here. 7 From the Mine is a quick starter and good for this class. With the right journey he will be in the mix here. 3 Swagger can open fast and likes to run in the front over the short distance. He is certainly not at his best now after a long break but should not be discounted. 9 Hector Sisu scored a very good win in August and scored a good second spot in October. Could be dangerous if he is at his best.
