9 Oskar Run was brave in the lead in the last race over three laps. Put in a strong performance a bit behind the winner in the V75-race before too. Our pick. 11 Wolverine has been up and down so far. Has been a non-starter after the last run and might need this one. Will defeat many opponents though. 10 Bottnas Gambler scored two straight wins on home track Visby in October. Tougher now but possible with the right defensive journey. 2 Thin Lizzy had to come from far back two starts back but finished fast. Nice number and good driver.

1 Digital Dominance was the favorite in the last run and lived up to that. Likes the long distance and faces quite easy opponents again.
