3 Arnie Silvio has put in many good efforts this year and in a lunch race like this he should have a great chance to win. Our pick. **9 Kiss My I.D.** is good for this class but has taken five of his six wins from the lead. This number is a handicap but he is still the main challenger to the favorite. **2 Winner Tilly** met too good opponents in the last V85 race. Easier now and has also a nice starting position. **4 Bear Expectation** is consistent, but here he is mainly a place bet.

5 Matti Ruisma has won two of three races. He came back well after a gallop in the last race and from a good starting position he should have a nice chance of winning. **1 Ecco Vendil** is not a very quick starter, but with the right back and via the open stretch, he is an early contender anyway. **8 Malvik** is a speedy Danish guest who has won four of eight starts. Not completely reliable, but has to be considered without a mistake. **11 Email Address** makes an interesting debut for Christoffer Eriksson. Is working well and should be considered immediately despite this starting position.

3 Valnes Penny is still without a win after 41 starts, but has put in two really nice performances since she came to Christoffer Eriksson. Nice draw and good chance. **5 Andinge Zon** is a quick starter and has taken all five of wins from the lead. Will go for the front and from there she is the horse to beat. **4 Working Girl** doesn't win very often, but if the filly gets the right trip from behind until the home stretch, she could be dangerous. **7 Chloe Haythrow** got locked in with energy spared in the last race and was also good the time before. Normally an early contender here.

RANK

11 Go Kenneth Go won easily in the last race and showed good form. Tricky starting position but with a bit of racing luck he should have a good chance of winning. **10 Max Eagle F.T.** comes back after a layoff and should be considered even though he hasn't started for a couple of months. **12 Earnest** is strong and can do it tough. He will pass many opponents at the end. **9 Västerbo Voodoo** has done well all autumn and comes from a nice performance.
