3 Prins Herakles has taken long time to develop and did not start competing until this season as a 5-year-old. The horse has taken nice steps in every start and done really well lately. Should be considered early. **1 Norheim Prinsen** is not reliable and was far from his best last time. However, the four-year-old son to Bork Odin has good capacity. Barefoot should be a plus. **5 Midjås Atlas** comes from victory in an easy company. **10 T.C. Lotta** is possible too with the right trip.

3 Aprils Gem makes his debut here at the end of the season. Was nice in the qualifier and Lars M Søvik usually has his horses well prepared. Should have a good chance to fight for victory. **1 Ozzy B.R.** has galloped a lot at the beginning of his career, but shown quite good speed. Is the one in the first circle who has shown the most. **5 Ignite** makes his debut for trainer Jens Kristian Brenne. He needs some racing luck along the way. **8 Little Big Man** has done well so far.

7 Frekke Frida doesn't win very often, but has shown really good form lately and is consistent and stable. Third in the last race against much better horses than today, only Voje Lotta and Troll Sterk Faksine were ahead of her then. **8 Tiras Perla** was good in the last race. The last couple of wins have been scored over longer distances, but normally this shorter distance should suit her well too. **4 Øina Perla** is strong and interesting together with Bjørn Steine. **6 Midnatt Tulla** is on the way up. Possible.

5 Don't Say Gar has done well so far for Frode Hamre. Maybe not at his best last time, but he faced Swedish Gold Division horses that time, now she meets only mares and Norwegian opponents. The horse to beat. **6 Lobella** is capable and will be in the fight even if she has not competed for almost two months. **3 Miss Pepper** has been consistent and good. Should not be overlooked. **2 Million River** has a nice starting position. Possible with the right trip.

3 Always Believed has shown the right attitude and is more strong than fast. Has to be considered early even if the horse meets quite good opposition.. **2 L.H.Cepheus** looked strong and gave a nice impression in the last race. He is a quick starter and has a perfect draw. Good chance over the short distance. **10 Jolin Southwind** is developing well and despite her first start in just over two months she is a contender. **9 Hutilihutshesalady** is clearly favored if she could race barefoot. Needs some luck from this lane.

7 Iaintnoquitter has been fantastic lately and shows that he has really good potential. His main rivals are stable companions, which is of course an advantage.
