5. ZABIR - Ran 4th in Germany on the 20th of September over 2450m and will need to find more for the win here. An outsider with a small place chance

6. FIRSTMAN - Taking time for the next win, finished 3rd at Lyon La Soie over 2400m in a claiming race on the 7th of this month and can threaten. Good chance

7. REVALITE - Finished 6th at this track over 2500m in Handicap class on the 25th of last month and can be expected to do way better now. Good chance

8. KEEN APPROACH - Finished 9th at Fontainebleau over 3000m in a Handicap on the 22nd of November and can do way better than that. A must inclusion for the quartet

9. NEKOLETO - His last few runs have been dismal over various tracks and trips. Last run was on the 11th of December over 1900m in a Handicap where he only managed 11th place. Pass by

10. FIRST ONE - Lightly raced, still a maiden and has made very little impression thus far. Hard to make a case for and can be ignored from all bets

CARTIMANDUA (2) is holding her form encouragingly well and will be a serious contender for top honors here. 1. SATURDAY NIGHT - She was a winner of her last start which was over 1900m at Chantilly in a weak claiming race on the 21st of last month and might well be able to follow up. Good each way chance

3. INDIAN STREAK - Was a winner three starts back, finished 6th at Pau over 2000m in a Class 2 on the 13th of last month and will be competitive. Strong winning chance first time in a claimer

4. PIQUOISEAU - Ignore last run, placed 8th at Parislongchamp before that on the 4th of October over 1600m in a competitive Handicap and in this class will have a bright winning chance down in grade here

5. BLISTRO - Has shown absolutely nothing in three starts thus far finishing 11th, 14th and 11th respectively and would be a shock if placing. Can be ignored from all bets

6. ALKIDAN - Finished 6th at Marseille Borely over 2000m in Handicap company on the 27th of September and might need a run or two to tighten up. Happy to pass by for today

8. OCTANE - Has only raced twice, finished 6th at Amiens over 2900m on the 10th of November and surely has plenty of scope to improve. Respect and include in the quartet

9. CORTELLA - Ignore last run, placed 4th at Chantilly over 1900m in a Class 3 on the 28th of October and can go close here. Strong place claims

10. FADO - Was a winner at the penultimate run but disappointed last time when way back in 11th place at Chantilly over 1600m in a Handicap field. Others are preferred for the win

Summary: PIQUOISEAU (4) can be expected to serve up plenty more than last time when only managing 14th place at Chantilly. His form before that is fair enough to think he has a bright winning chance in this field. INDIAN STREAK (3) is sparingly raced, was a winner three starts back and can be very competitive on his first run in a claimer. A must for all betting perms. SATURDAY NIGHT (1) passed the line first at Chantilly last time and there is no reason why she cannot follow up in a very open contest.
