1 Nikki BR has done well in both starts, finishing second. Nice number here and from the lead she is the horse to beat. **9 Kendrix** is in great form and will soon score a win - and it could come here. **2 Kilifi** is in good shape and good enough to pass all over the home stretch with the right trip. **5 Royal Act** has a tricky starting position, but still cannot be completely discounted.

11 Grude Erling came back well after a gallop and is in good form today. Would prefer quick pace and will be tough to resist during the final lap. **7 Argr G.L.** won easily from the lead. Gets an offensive trip and if he reaches the front he can hold lead this all the way. **1 Ros Venn** won from the pocket in the last race and will be a contender with a similar journey. **6 Jega Jolina** is often in the mix and possible if she gets a nice defensive trip.

2 Max Orlando is coming off two nice wins in a row from the lead. Could reach the front again and from there he will be difficult to pass. **3 Noah B.R.** is in great form today. Will probably get a tough trip on the outside, but should be considered early. **5 Followthatdream E.P.** has won three of the last four starts. Tougher opponents now, but has to be followed behind the favorite. **9 A.K.S. Liona** gets a defensive trip and could be a place bet here.

8 Voje Hero prefers to run in the lead and will get an offensive trip despite this starting position. In that case he should have the best chance to win this race. **9 Eld Rapp** is the fastest horse in the field but is not completely reliable. Fights for victory without a mistake. **2 Smedsjur** finished well as second last time behind our pick. Good draw and should not be overlooked. **12 Kjølstad Frøyd** decided easily in the last race and it was a clear improvement compared to previous starts. Has good form, but is poorly drawn.

8 Stoletheshow ended last season with two straight wins. Tricky number, but this is a top horse who should have a nice chance. **6 I.D. Exceptional** is the biggest threat to the stable companion. If he can maintain the lead, his chances will increase. **1 Mc Burney** will be interesting to watch from this lane now that he faces tougher opponents. **2 King Okay** is in top form, but probably faces too good horses here.

2 Malabar Sun did well in the last race even if he got defeated. The five-year-old is a quick starter and could lead this from start to finish. **12 Humble And Kind** comes back after a short break but should be followed despite this lane. **1 Sensation Tile** will get a nice race with this number and could surprise with an opening at last. **10 I.D.Forcedtovictory** should not be discounted considering his nice form even though this draw is a disadvantage.
