RANK

6 Alfes has three wins in four starts and looks to be improving all the time. Nice task here and can win this race in different ways. Top chance! **3 Douglasdecastella** has put in some decent efforts and is the biggest threat to our pick. **11 Faustino L.I.** put in a strong effort in the last race. Difficult number now and needs a bit of luck to to be in the mix here. **12 Kirsten Tinghøj** galloped at the end but has otherwise looked good. Would benefit from high pace.

RANK

2 Merlin Mearas did well in the last race as heavily backed in the V85. He has dropped down a lot in class and should have a good chance from a nice starting position. **6 Jula Redmile Champ** is not reliable, but has good speed for this class. Will fight for victory if avoiding a mistake. **8 Sunshine Eagle S.** is very gifted, but does not always live up to his full potential. One of several contenders that can win this race. **3 Eroll Flynn** got a much needed run under his belt last time and will be improved to this race.

RANK

9 Knud held strongly behind Four White E.G. last time. Nice efforts before that too so the form is almost at its peak. He will face a suitable opposition now and should have a good chance of winning. **7 Excellent Cleaning** is consistent and reliable but doesn't win very often. Will finish strongly and is one of the hot favorites in this race. **3 Expensive Jewel** has done well for a long time and will beat most of these opponents at the end. **5 Inter KP** has done well in all five starts in Sweden and should score a victory soon.

Auto 2140

RANK

8 Abel Lock has not started for a while but uses to put in good efforts straight away and despite a poor starting position he should have the best chance to win this race. **11 Miyagi** is used to tough opposition, but has not started since November and his form is hard to predict. In the mix if well prepared. **3 Nacho Boko** has put in several nice performances towards the end and from a good starting position he should be considered early. **1 Pickford** normally takes the lead and will lead the race for a long time. All the way?
