Won nicely in the last race and should be in the fight for victory. **4 Queen** is not reliable at all, but has good speed. **6 Sarabi** did alright as third from far behind in the last race.

1 Reime Kongen had to run on the outside of Ness Tjo Tyr in the last race, which became too tough. He hasn't started for a while before this race, but should have a good chance in this small field. **6 Tordenskjold** returns after a 4.5 month layoff. Is gifted and despite this lane, he should have a good chance to challenge. **5 Grisle Tore G.L.** has been consistent and good most of the time. **2 Jerven Junior** is doing very well over the current distance.

Is the main challenger. **4 Quantum Tile** is matched in fairly good company and is interesting barefoot. **6 Hot Stone** is mainly a place bet as he faces tough competitors.

He was clearly beaten from the pocket in the last race but faces easier opposition now. **2 Mefisto Faust** needs to improve compared to last time. **4 Guitar Man E.P.** is mainly a place bet.

This distance is not an advantage, but in terms of sheer strength he is the first horse. **2 Thai M. Main challenger. **3 Cabron** is one of Norway's absolute best horses when he is at his best but he is a bit up and down. Still, he shouldn't be discounted here. **5 Wishful Order** is possible too, but didn't show anything special last time.
