**7 Ciao** was really nice in her debut, finishing third. If the horse has been improved by that run under her belt, she will be hard to beat. **8 Willy Rapid** is making his first start. Was nice in the qualifier a week ago and will be driven by Björn Goop straight away. Should be considered early on behind our favorite. **4 Global Hayden** makes his debut for the in-form stable of Mattias Djuse. Driven by the trainer himself, but looked nice in the qualifier. **2 Capistrano** is a son to Fourth Dimension. Is making the first start ever for Joakim Elfving.

**8 Express Love D.E.** won as big favorite in the last race. Comes from the form stable Sybille Tinter and has to be considered despite this lane eight behind the gate. **11 Glory Doc** was strong in the last race. Is gifted for this class, but this number is not optimal. **9 Fröken Crawly** was clearly improved in the last race and is a contender too. Needs some racing luck along the way though. **4 Katitzi Brick** has done well in two starts. Good starting position, but will face a couple of horses who have shown higher capacity so far.

**3 Pac Man Newport** scored a nice win in the debut. Met easy horses, but made a big impression. Could remain undefeated after this race. **11 Gaby Love Winner** has impressed in the Swedish starts. Up and down, but has to be considered early on without a mistake. **12 Little Eva** was not good at all in the last race. Can do better than that but needs to show improvement.

Won't be easy to reach from there. **6 Verduzzo** is the main challenger. Has scored three good wins in a row in Finland and shown that she can do it tough. **8 Mandragora** is matched in quite good company but this lane lowers the expectations. **7 My Precious One** has galloped in two straight starts but had shown good speed before that.

Early challenger. **1 Let Me In** returns after a stay in France. Normally good enough to be in the mix. **5 Lake's Edina** is mainly a place bet in this strong field.

**4 Sam The Man** uses to perform well after a layoff. Quick starter and could reach the front. Once there he will not be easy to beat. **5 Celiaz** makes a comeback after a layoff. Her form is certainly not top yet, but she has very high peaks. Shoes is not optimal and she risks a tough journey. Despite that, she should be considered very early. **1 Great Time Trot** is guaranteed a nice trip from the inside lane. Possible behind our top duo. **8 Romulus Tooma** could have a tough time from this poor starting position.
