12 Stjerne Kompis has met Mellem Frost in all three starts this year and it is no shame to get defeated by that top horse. With a similar effort as two starts back he is an early choice here. 8 Maris Rappfot is interesting. He seems on the way up and should be followed together with HC Holm. 5 Stormi Noor has put in two good efforts this year and scored two good second spots. Without a mistake the horse should be considered. 2 Eiklill is really good every now and then but a bit up and down too. She prefers to run in the front and could be an outsider here.
